

**National Workshop
on
Wavelet Transform & its Applications in Signal Processing
(04-05, November, 2016)**

**Organized by
Department of Electronics & Communication, IES IPS Academy, Indore**

**Sponsored by
MP Council of Science & Technology (MPCOST), Bhopal**

Pic 1: Inaugural Ceremony on Nov 04, 2016 Chief Guest of the event Dr. P. D. Vyavhare, SGSITS Indore

Pic 2: Expert Talk on “Advanced Signal Processing Methods Using Wavelet Transform” by Prof. MPS Chawla, SGSITS Indore

Pic 3: Lecture on “Applications of Wavelets in Biometric” by Dr. Rajesh Bodade, MCTE MHOW

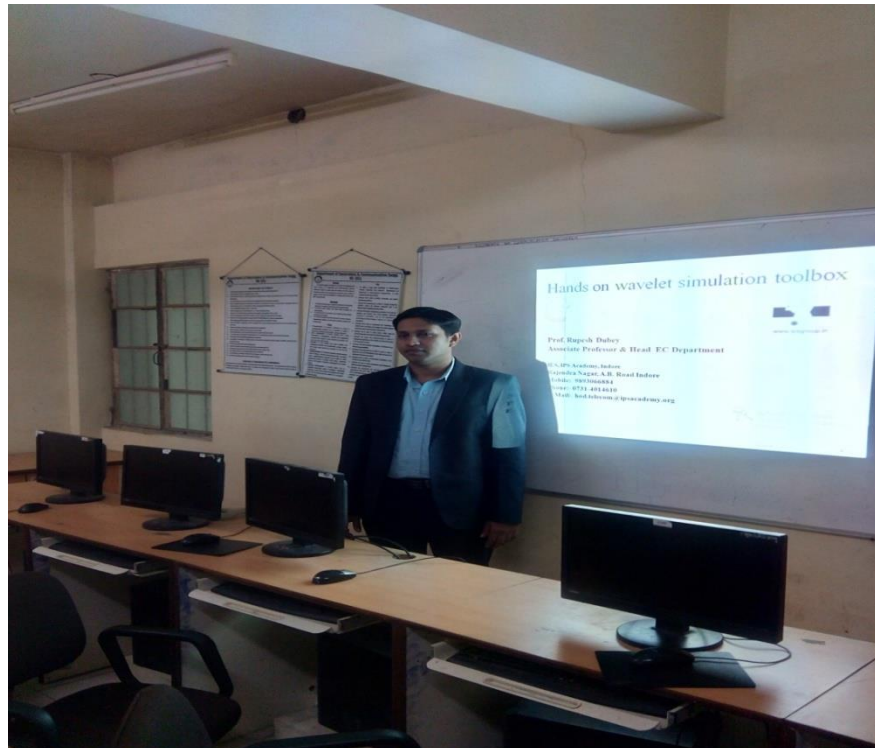

Pic 4: Expert Talk on “An Introduction to Continuous Wavelet Transform and its Applications” by Dr. Santanu Manna, IIT Indore

Pic 5: Expert Lecture on “Fourier Transform to TQWT” by Dr. Pachori, IIT Indore

Pic 6: Expert Talk on “Rotated Wavelet & its Applications” by Dr. Maneesh B. Kokare, SGGSIE&T, Nanded

Pic 7: Hands on Wavelet Simulation Toolbox by Prof. Rupesh Dubey, Associate Professor, IES IPS Academy

Pic 8: Valedictory Function, Prof. Nitin Jain giving Vote of Thanks

Pic 9: Certificate Distribution Ceremony, Left To Right (Prof. Rupesh Dubey, Dr. Maneesh B. Kokare, Dr. M. G. Sharma, Prof. R. C. Dubey)
