

IPS ACADEMY IES INDORE

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

ONE DAY WORKSHOP “SOLAR AMBASSADOR WORKSHOP” GANDHI GLOBAL SOLAR YATRA (GGSY) 2019

Title : Solar Ambassador Workshop By IIT Bombay
Organized by : Department of Electronics & Communication Engineering, IPSA, IES Indore
Date : 02/10/2019
Time : 10:00 AM to 06:00 PM

Department of Electronics & Communication Engineering, IPS Academy IES Indore has organized Solar ambassador Workshop under Gandhi Global Solar Yatra (GGSY) 2019, under the guidance and supervision of IIT Bombay on 2nd October 2019. This workshop has been organized in more than 80 countries along with IPS Academy IES Indore on 150th birth anniversary of Father of nation “Mahatma Gandhi”. The objective of the workshop is to increase the awareness of school and college student about solar energy and provide them hands on training about use of solar energy. More than 75 students have participated in the event from the institute and prepared solar lamps by themselves.

The event started as per schedule given by IITB at 10:00 AM on 2nd October 2019, with a session on energy scarcity and solar energy as a solution. Followed by the lecture, there was a training session on how to assemble the solar lamp. Participants from the institute have prepared lamps after the training by their own.

A solar lamp and solar panel kit worth Rs. 520/- has been provided to every participant. IIT Bombay has also provided certificates to every participant.

Event Coordinator:

Nilesh Sharma
