

Online Aptitude Training in Lockdown

Starting 20th April, 2020, Aptitude training for Campus Placements & Higher Studies begins.

Classes will be conducted through online platforms like Zoom, Webex, Hangout etc. Educational videos with our faculty's personal touch will be available!

These classes will be helpful to approach for Campus placements. The companies will be coming in as soon as the lockdown is over. We should be prepared to crack the tests!

All the students are hereby informed to kindly attend the classes and watch the videos for upcoming placements. Assessments will be conducted on weekly basis to analyze the progress!

Exclusive You-Tube channel for selected videos adding every day!
