

**IPS Academy Institute of Engineering & Science  
Civil Engineering Department  
Organized its Annual Event “NEEV 2020”**

Civilipsa’s one week national level student’s paper presentation competition “NEEV 2020” (6-11th April, 2020) was inaugurated on 6th April. This is twelfth year of NEEV. Due to the pandemic action of COVID-19, the programme was organized through online platform applications. Around 300 students from

department were participated in the event. The main objective of the event was to enhance the technical ability along with presentation skills into the students. Throughout the event, students were found keen to present themselves using online platform. Total 44 technical papers were presented by the students based on the topics related to civil engineering stream in six technical sessions conducted online.

Principal of the institute Dr.Archana Keerti Chowdhary addressed the students about role of a civil engineer for development of nation and to cultivate the society. She also instructed about preventive measures for corona virus and told the students to strictly follow the same to serve the nation. In order to conquer the limitations of class room teaching, various video lectures were also uploaded to department's YouTube channel for benefit of the students. Head of the department Prof. Swatilekha Guha Bodh congratulate the faculties and students for their active participation. In her speech she also gave the message of stay home for stay safe to the students. Under the observation of judges, best paper award was also announced in three different categories. From Final year Ambuj Shukla & group was awarded to best paper award while from third and second year, Yogesh Kumawat & group and Pravar Parashar & group was the awardees of best paper award. The event was co-ordinated by Prof. Niraj Mishra and he gave vote of thanks in presence of all the faculty members of the department.
