About FDP

The objective of this FDP is to facilitate the participants from different disciplines to develop an in-depth comprehension of Communication skills as well as Life Skill management through English Language. The sessions designed will enable the participants to understand and inculcate competence for Global Professional Excellence. The participants across disciplines will benefit immensely and receive new insights and knowledge about the topic through close interactions with the Senior Faculty Members and Experts. It encompasses not only the basic concepts, techniques of communicative methods, but also intends to cover the entire loop of competence for proficient fineness

About ATAL Academy

AICTE Training and Learning (ATAL) Academy is established with the vision “To empower faculty to achieve goals of Higher Education such as access, equity and quality”. ATAL academy will conduct a series of workshops in thrust areas identified by AICTE.

About the Institute

IPS Academy, Institute of Engineering & Science A UGC Autonomous Institute, Affiliated to RGPV is one of the leading private self financing institutes devoted to imparting quality engineering education with the sole motto of “Knowledge, Skill & Values”. The institute was established in 1999 and Ranked 42 among the Top Engineering Colleges in country and 32 among the Private Engineering Colleges in country by Times of India and is top preferred institute for education amongst self financing institute in MP by CSR.

We offer 10-UG & 8-PG programs out of which UG Programmes Accredited by NBA New Delhi

About the Department

The Department of Humanities, one of the pioneering departments of the institution, since its inception catered to the base of under graduate students of all the engineering departments of the institute. Department of Humanities provides an innovative learning environment and accentuates

value based quality education through dedicated well qualified faculty members involved in latest area of research to fulfill the requirements of the students of all the engineering branches. The vision of the department is not only to transform young people to be competent and motivated professionals but also to contribute to the overall development of the nation through their expertise, research and academic activities.
