IPS Academy

Institute of Engineering & Science

Knowledge Village, Rajendra Nagar, A.B. Road, Indore-452012 (M.P.) INDIA

VISION

*To be the fountainhead
of novel ideas & innovations
in science & technology
& persist to be a
foundation of pride
for all Indians.*

MISSION

- To provide value based broad Engineering, Technology and Science where education in students are urged to develop their professional skills.
- To inculcate dedication, hard work, sincerity, integrity and ethics in building up overall professional personality of our student and faculty.
- To inculcate a spirit of entrepreneurship and innovation in passing out students.
- To instigate sponsored research and provide consultancy services in technical, educational and industrial areas.

ANNUAL REPORT FOR THE ACADEMIC YEAR 2019-2020

Indore Professional Studies Academy (IPS Academy) is one of the Central India's largest educational hub-premises, playing a major role to develop Indore as Central India's most preferred educational centre. It was established in 1994 by Indore Education Society imparting quality education with the sole motto of "**Knowledge, Skills and Values**". The society was founded by Ar. Achal K Chowdhary -An alumina of IIT Kharagpur & eminent architect. It has 16 colleges on green lush campus of 60 acres offering courses in various disciplines such as:- Commerce, Law, Fine Arts, Science, Management, Architecture, Pharmacy, etc.

IPS Academy, Institute of Engineering and Science (IES) was established in 1999 under the aegis of IPS Academy. It is one of the most preferred self financing institutes in M.P affiliated to Rajiv Gandhi Prodyogiki Vishwavidyalaya (RGPV) Bhopal for studying professional, technical courses leading to B.Tech/M.E./M.Tech. Degrees.

The institute is situated on AB Road, NH No. 3 at Rajendra Nagar. Indore is a commercial capital of Madhya Pradesh. The Institute is located in a sprawling campus of about 7.5 acres, amidst sylvan surroundings with aesthetically built infrastructure. The institute is located at a distance of 10 kms and 7 kms from railway station and airport respectively. The UG programme Fire Technology & Safety Engineering was the unique program in the state of MP offered by Institute in the year 1999. The institute has grown in its size and stature over the years, from an initial intake of 180 to the current intake of 1344 students. It currently (2020-2021) offers 10 UG and 8 PG programs as tabulated below:

S. No.	UG / PG Courses	Year of Introduction	Intake
1	B.Tech in Computer Science & Engineering	1999	180
2	B.Tech in Fire Technology & Safety Engineering	1999	180

12	M.E. in Electronics & Communication Engineering	2007	09
13	M.Tech in Structural Engineering	2009	18
14	M.Tech in Industrial Safety and Engineering	2010	18
15	M.Tech in Chemical Engineering	2011	18
16	M.Tech in Construction Planning & Management	2013	18
17	M.Tech in Power Electronics	2013	18
18	M.Tech in Robotics.	2020	18

Its 5 U.G. Programs @serial no.1 to 5 above were accredited by National Board of Accreditation, New Delhi (NBA), in 2017. Further, two more UG programs @ serial no 6 and 7 were accredited by National Board of Accreditation, New Delhi (NBA) in 2019.

Three of the UG programs accredited by NBA, New Delhi, namely

- i) Civil Engineering
- ii) Computer Science Engineering
- iii) Chemical engineering

had a score more than 675 out of 1000, which made us eligible to apply for Grant of Autonomous status to UGC New Delhi in 2020. The institute was granted Autonomous status by UGC, New Delhi under its UGC regulation 2018 from the current academic session 2020-2021, vide its letter, dated July 15th 2020. Subsequently the notification to this effect was issued by the affiliating university, RGPV Bhopal, vide its letter, dated Aug 30th 2020.

Institute has subscription of Microsoft IT Academy

Highlights :

- Microsoft ED-Vantage Platinum Level
- On campus Microsoft Cloud Competency Center
- Microsoft Academic Alliance Platinum Certificate

List of Students Chapters / Life Membership

A. Institute is life Member of

- IWWA – Indian Water Works Association
- ICI – Indian Concrete Institute
- ISTE – Indian Society for Technical Education
- NSC –National Safety council.
- NFPA-National fire Protection Association
- IFE –Institute of fire engineering (U.K.)
- IEEE- Institution of Electrical & Electronic Engineer
- IChE – Indian Institute of Chemical Engineer
- CSI - Computer Society of India
- IETE – The Institution of Electronics & Telecommunication Engineer
- National Fire Protection Association, UK
- National Safety Council, Mumbai
- Institute of Fire Engineers, New Delhi

B. Student Chapter

The student chapter of following is successfully functioning in Institute -

- IEEE – Institution of Electrical & Electronic Engineer
- IETE – The Institution of Electronics & Telecommunication Engineer
- IChE – Indian Institute of Chemical Engineer
- ICI – Indian Concrete Institute
- CSI - Computer Society of India
- Automotive Engineers (SAE – India)
- SSAFE – Society of Safety & Fire Engineers

Innovation

A. Innovative Steps Introduced

- Online – Feedback System
- Online Marks Feeding System
- Online Attendance feeding system
- Online Appraisal For Faculty
- Hands on Training – On Linux System
- Online Appraisal Test Conducted For Office Assistants regularly
- Nodal Center – IIT Bombay
- Online Registration System
- Online Leave Management System
- Department Automated System
- Online Test Management System
- Intranet Communication System
- Online Assignment System

B. Green Initiatives

- Effluent Treatment Plant
- Waste Plastic Recycling Plant
- Energy Efficient Building using LED
- Paper Recycling Plant (in process)

Sports

In addition to imparting academic excellence, IPS Academy, IES, Indore lays special emphasis on all round development of the students. Following its tradition, the college organized Annual Sports Week from 27th & 29th Feb 2020. During this days, the college was adorned with multi-colored flags. Students from different streams participated in sports and games. Cricket, Volleyball, Football and several other activities filled the grand playground of the college with charm and cheerfulness. The one week of sweat and toil could not match the enthusiasm shown by all the students not just in participating but also in cheering their lungs out for the teams of their choices. The spirit of competition was very high and so was the need to win over their adversaries.
