**INSTRUCTIONS AND GUIDELINES: WINTER EXAMINATION 2020**

The institute has scheduled the End Semester Exam for B.Tech. I Year I Semester (Regular & ATKT) & M.Tech./M.E. I Year I Semester (Regular) from 09 March 2021. Students are advised to go through the following instructions carefully:

1. Visit the institute website regularly for updates related to Winter Exam. 2020.
2. The exams will be conducted in offline mode. You will require a mobile/ laptop and internet data.
3. The exam will be conducted through G-Suite platform only. The necessary procedure and updates for performing the exam will be shared through the G-Suite and e-mail of student. The students are advised to check their account and email and institute website regularly.
4. The respective Google classroom will be created in G-Suite for I year UG & PG students. The students have to join the classroom through their G-suite account and follow the instructions.
5. **For all the I Year Students:**
  - The question papers will be provided to students through Google classroom 20-30 minutes before the commencement of examination. Password for the question paper will be provided in the respective Google classroom only. The password will be disclosed 5-10 minutes before the scheduled time of exam.
  - It is compulsory for all students to download the blank answer sheets from institute website prior to exam date. Students have to take required number of printouts before the exam. Number of printouts depends on number of subjects to be appeared by the students.
  - Students have to fill the front page carefully without any overwriting.
  - The answers should be precise and to the point. Students are advised to complete their paper writing with optimum number of pages. Excessive number of pages may increase file size and consume large time to upload.
  - They are strictly advised to use A4 size paper & also use only one side of the paper (except in case of Design & Drawing courses).
  - It is mandatory for students to put their enrollment no, page number and signature on bottom side of every page using pen.
  - All answers to the mock test must be in student's own handwriting only. This may be used to establish the authenticity when required.
  - Students will login to their respective classroom via Google classroom at least 30 minutes before the scheduled time on the day of examination.

- The encrypted question papers will appear 20-30 minutes before the scheduled time of examination.
  - The password for opening the encrypted QP will be provided via Google classroom only 5-10 minutes before the commencement of exam.
  - Students have to upload PDF of answer sheets through “G Suite” within 30 minutes after completion of exam time strictly. Details will be given in Mock tests. **No submission will be accepted after 30 minutes.**
  - After completion of answer of, students have to scan their answer pages through scanner/mobile app and make a PDF that must be arranged properly with front page on the top. Blank side of pages should not be scanned, while making the PDF.
  - **The mobile app like simple scan/adobe scanner/ Kagaz/document scanner, etc. may be used for pdf creation.**
  - **The pdf file shall be named as Enrollment no.- subcode.pdf (for example if the subject code is BH-12010 and enrollment number of students is 0808AB181234, the file name will be 0808AB181234-BH-12010.pdf)**
  - Practice well in advance with any app to create and upload pdf. If necessary, go through YouTube videos.
  - If students find any difficulty in uploading their pdf of answer sheets, they should contact the respective coordinator and take their help.
  - **Due to any unavoidable reason, if you are not able to upload pdf of answers timely, communicate it immediately to invigilator, otherwise it may lead to late submission/ UFM/absent marking. Coordinator’s comment will be significant in finalizing the case in exam committee of the institute.**
  - Students should be ready with contact details of coordinators during exam. Exam superintendent, Exam controller and HOD. So, they can communicate their problems timely. Delay in communication will be student’s responsibility only.
  - Students are advised to keep extra mobile/ Laptop/ internet data ready from family members. It may be useful for pdf generation, uploading and communication.
6. Mock test will be conducted to become familiar with whole system. It is compulsory for all students to appear for the mock tests.
7. For any query students can mail to [exam.ies@ipsacademy.org](mailto:exam.ies@ipsacademy.org).
8. For any G-suite/Exam related issue your respective coordinators.
- 9. Following actions might lead to rejection of answer sheets:**
- Submission of answer sheets 30 minutes after the due time of examination.

**IPS Academy**
