

## ABOUT THE INSTITUTE:

IPS Academy, Institute of Engineering & Science is one of the leading private self financing institute devoted to imparting quality engineering education with the sole motto of "Knowledge, Skill & Values". The institute was established in 1999 and awarded autonomous status by UGC in year 2020. It offers 10-UG & 8-PG programs in an academic session.

## ABOUT THE DEPARTMENT:

Fire Technology and Safety Engineering department holds a unique position, being the only department to offer Four years B.Tech. degree in **Fire Tech. & Safety Engg.** and two years M.Tech degree in **Industrial Safety Engg.** in the country. Department provides qualified and trained engineering professionals in the field of Fire & Safety Engineering to meet the growing demand from industries and business establishments. The B.Tech Program offered by the department is accredited by National Board of Accreditation New Delhi as Quality recognition in outcome based education. Department is also recognized by Industrial Health & Safety Department, Govt. of M.P. vide **Madhya Pradesh Rajpatra notification dated 29.05.2009 for the appointment of Safety Officer.**

## ABOUT THE TECHFEST:

Capacity building in fire, safety, and disaster management is a critical process that involves developing the knowledge, skills, and resources necessary to prevent, mitigate, respond to, and recover from various types of emergencies and disasters. This is essential for individuals, organizations, communities, and governments to effectively address the challenges posed by fires, accidents, and natural or human-made disasters.

Accidents can have profound social and economic consequences, leading to losses in terms of life, health, property, productivity, and resources. Preventative measures, safety regulations, and preparedness can help to mitigate the impact of accidents on both society and the economy.

This National tech-fest provides the platform to the young emergency responder for presenting and enhancing their skills and capabilities with available resource in the department.

The Department of Fire Technology & Safety Engineering, IES-IPSA, Indore is organizing a One week tech-fest on "**Capacity Building in Fire, Safety and Disaster Management**". This tech-fest will provide a unite platform to enhance the technical skill and knowledge of individual. The tech-fest will be followed by Technical Session, Panel Discussion, Innovative Ideas/ Business modeling in fire & safety industries, Quiz Competition, Skit Competition, Poster & Slogan Competition and Extempore Competition.

## PARTICIPANTS:

The tech-fest is organized for academicians, researchers, fire & safety professionals, students and persons working in the related area.

## REGISTRATION PROCESS:

Registration can be done by sending scan copy of enclosed registration form (or Xerox copy), dully filled in, at

[office.firetech@ipsacademy.org](mailto:office.firetech@ipsacademy.org)

## REGISTRATION FEE:

Student from IES-IPSA : Rs. 50/- per participant  
Student from other Institute : Rs.200/- per participant  
Faculty members (other : Rs. 500/-per Participant institute)

Industry Participants : Rs.1000/-per Participant.

- The fees will cover expenses for providing winner First & Second Position organize during One week Tech-Fest
- Fees once paid will not be refunded.

**Name of Competition** **Prize Amount**

Panel Discussion- I	Rs 2000.00
Panel Discussion- II	Rs 1000.00
Innovative Ideas/ Business Modeling in Fire & Safety Industries-I	Rs 2000.00
Innovative Ideas/ Business Modeling in Fire & Safety Industries-II	Rs 1000.00
Skit Competition-I	Rs 2000.00
Skit Competition-II	Rs 1000.00
Quiz Competition-I	Rs 1500.00
Quiz Competition-II	Rs 1000.00
Poster & Slogan Competition-I	Rs 1500.00
Poster & Slogan Competition-II	Rs 1000.00
Extempore Competition-I	Rs 1500.00
Extempore Competition-II	Rs 1000.00
