**&**

**Laboratory of Applied Numerical Geophysics, Institute of  
Physics and Technology (MIPT), Moscow, Russia**

This Memorandum of Understanding (MoU) is drawn up and agreed upon to establish the initial framework for cooperation between IPS Academy, Institute of Engineering & Science, Indore 452012, India and Laboratory of Applied Numerical Geophysics, Moscow Institute of Physics and Technology (MIPT), Russia.

**IPS Academy, Institute of Engineering & Science, Indore**, (hereinafter referred to as “**IPSAIES**” which expressions shall mean and include, unless repugnant to the context or meaning thereof its successors-in-interest and permitted assigns) a UGC Autonomous Institute affiliated to RGPV, in the person of **Dr. Archana Keerti Chowdhary**, **IPSAIES** enters into this MoU as the **FIRST PARTY**.

IPS Academy, Institute of Engineering & Science, Indore is one of the leading self-financing UGC Autonomous Institute imparting quality education, in central India with the sole motto of “Knowledge, Skill & Values” offering B.Tech./M.Tech degree programs. It’s all eligible UG programmes have been accredited by National Board of Accreditation (NBA), New Delhi.

**AND**

Laboratory of Applied Numerical Geophysics of Moscow Institute of Physics and Technology (hereinafter referred to as “**LANG MIPT**”) which expressions shall mean and include, unless repugnant to the context or meaning thereof its successors and permitted assigns, in the person of **Dr. Vasily Golubev**, **Laboratory of Applied Numerical Geophysics (MIPT), Russia** enters into this MoU as the **SECOND PARTY**.

The Moscow Institute of Physics and Technology is one of the leading Russian universities in the areas of physics and technology. The university holds a reputable position in the country and abroad for qualified graduate training. Students and graduates of MIPT are representatives of an elite circle who, thanks to their interdisciplinary scientific surroundings, are able to fully realize their potential. The strong alumni community is spread all over and includes top range scientists,

businessmen, politicians, people of art, many of who are awardees of prestigious international prizes. Phystech (the university) and phystechs (its alumni) are strongly proud and supportive of each other.

“IPSAIES” and “LANG MIPT” are hereinafter, wherever the context so admits, collectively referred to as the “Parties” and individually as a “Party”.

AND WHEREAS the purpose of MoU is to establish an understanding of mutual cooperation between IPSAIES and LANG MIPT, providing a common platform for deriving mutual benefits in their pursuit of higher learning in general and benefiting their respective students and faculties, by way of exposure to each other’s programs, in particular.

#### **Article I: Scope**

The initially proposed activities within the scope of the current MoU are:

- a) Activities leading to development of joint projects related to:
  - Curriculum Design
  - Student Exchanges,
  - Faculty Exchanges,
  - Industrial Training & Visits
  - Research and Development
  - Skill Development Programs
  - Guest Lectures
  - Faculty & Staff Enrichment Programs
  - Student Training/Internship
  - Working on Collaborative Research Projects.
  - Joint supervision of Ph.D, M.Tech and B.Tech students.
- b) Defining new areas of collaboration that have not been foreseen, but can be beneficial to the Parties.

V.G.

## **Article II: Duration, Termination and Amendment**

- a) The MoU will be effective from the date of signing by both parties for a period of up to one (01) years, and may be subject to extension by mutual consent of the Parties, expressed in writing.
- b) Either party may terminate this MoU by giving one-month advance notice in writing to the other Party.
- c) The provisions of the MoU may be amended at any time with the mutual consent of the Parties in writing.
- d) The amendment, termination and expiration of this MoU will not affect the terms of activities ongoing at the time of notification of amendment, termination and expiration, unless otherwise agreed upon between the Parties.
- e) No action undertaken shall diminish the full autonomy of either institution, nor will either party impose any constraints upon the other in carrying out the agreement.
- f) In case any dispute between the parties the same shall be resolved through mutual discussion between respective head of the departments of both the partner institutions or otherwise the same shall be referred to mediation based upon the terms and conditions mutually decided between the parties.

## **Article III: Special Provisions**

- a) During the term of this Memorandum each party may make any press release about the association between the parties.
- b) During the term of this memorandum each party agrees to supply information to the other for inclusion in that party's promotional material and agrees to such information being used in each other's promotional material in accordance with such terms as may be specified, but at no cost to the other.
- c) Detailed modalities of individual forms of collaboration, activities associated with them and financial aspects of each shall be mutually agreed upon on a case by case basis, and specified, with all necessary details, in separate Agreements.
- d) This MoU will not be legally & financially binding to any of the Parties. The two Parties will consult with each other and attempt to resolve disputes or misunderstanding that arises in the administration of this MoU or any subsequent associated Agreement informally.
- e) Separate agreement shall be executed with regard to specific project/work initiated in furtherance of this MOU. Financial and other obligations of both the institutions shall be as per that agreement.

This Memorandum of Understanding is entered into on Feb 16<sup>th</sup>, 2019 by and between the Department of Computer Science and Numerical Mathematics, Moscow Institute of Physics and Technology (MIPT), Russia represented by Dr. Vasily Golubev, Associate Professor, and IPS Academy, Institute of Engineering & Science, Indore, India represented by Dr. Archana Keerti Chowdhary, Principal.

Both are agreed about the following:

1. The aims of cooperation are as follows: reinforcement of the research potential on both sides, engagement to research cooperation and practical realization of scientific development of numerical assessment methods of earthquake resistance of residential and industrial structures, which are of mutual interest.
2. The cooperation will be carried out as follows:
  - Tackling of mutual research projects;
  - Joined application for national and international grants;
  - Exchange by research and other useful information.
3. The obtained results will be available for the research community unless this contradicts to the laws of Russian Federation and Indian Republic.

**Subject:** Invitation for online ATAL FDP on "New Approaches in Geotechnical Earthquake Engineering from 06/12/2021 to 10/12/2021".

Respected Sir,

It gives us immense pleasure to inform you that Civil Engineering Department of our institute IPS Academy, Institute of Engineering & Science, Indore is organizing online FDP on "New Approaches in Geotechnical Earthquake Engineering" during December 06<sup>th</sup> to 10<sup>th</sup>, 2021 under the umbrella of ATAL Scheme.

IPS Academy, Institute of Engineering & Science, Indore (MP) established in 1999 is one of the leading self financing UGC autonomous institutes devoted to imparting quality engineering education with the sole motto of "Knowledge, Skill & Values". It offers 10-UG & 8-PG programs out of which most of UG programs are accredited by NBA, New Delhi.

Generally, it is observed that large concentration of damage in specific areas during an earthquake is due to site dependent factors related to surface geological conditions and local soil altering seismic motion.

The one week faculty development programme, aims to address this burning issue by bringing forth students, academicians, research scholars and industrialists and conduct brain-storming sessions under a common roof. We cordially invite you as a speaker for the workshop. Your thoughts would enable the participants to gain knowledge from your expertise and experience.

We look forward to a positive confirmation, an honor for us indeed. If you need any assistance, contact me at [hod.civil@ipsacademy.org](mailto:hod.civil@ipsacademy.org) (+919926424474).
