**MID SEM II TIME TABLE**

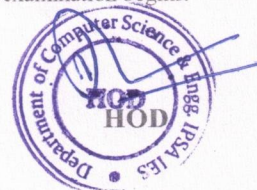

All the Faculties/Students of BTECH II, III and IV year BA Group are hereby informed that there “**Mid Semester II Examination**” schedules are as follows

| Class                                                                                          | Date     | Day      | Time          | Sub. Code            | Sub. Name                                     |
|------------------------------------------------------------------------------------------------|----------|----------|---------------|----------------------|-----------------------------------------------|
| <b>BTECH IV<br/>YEAR VII<br/>SEM CSE<br/>AIML &amp;<br/>AIML (BA<br/>GROUP 2021<br/>BATCH)</b> | 30.10.25 | Thursday | 1:45PM-3:00PM | PCC-AL/CS CL701      | Advanced Machine Learning                     |
|                                                                                                |          |          | 3:30-4:45PM   | PCC- AL/CS CL 702    | Deep Learning                                 |
|                                                                                                | 31.10.25 | Friday   | 1:45PM-3:00PM | PEC- AL/CS CL 701(A) | Cloud Computing                               |
|                                                                                                |          |          | 3:30-4:45PM   | PEC- AL/CS CL 702(A) | Digital Marketing & SEO                       |
| <b>BTECH III<br/>YR V SEM<br/>(BA GROUP<br/>2022 BATCH<br/>)</b>                               | 30.10.25 | Thursday | 1:45PM-3:00PM | PCC CL 10            | Database Management System                    |
|                                                                                                |          |          | 3:30-4:45PM   | PCC CL 11            | Foundations of Machine Learning               |
|                                                                                                | 31.10.25 | Friday   | 1:45PM-3:00PM | PCC CL 12            | Neural Network                                |
|                                                                                                |          |          | 3:30-4:45PM   | PEC CL 01 (D)        | Information Storage Management                |
|                                                                                                | 01.11.25 | Saturday | 1:45PM-3:00PM | HSMC HS06            | Business Communication                        |
|                                                                                                |          |          | 3:30-4:45PM   | IFC EC01             | Sensors and Automation                        |
| <b>BTECH II<br/>YR III SEM<br/>(BA GROUP<br/>2023 BATCH<br/>)</b>                              | 30.10.25 | Thursday | 1:45PM-3:00PM | BSC MA03             | Probability & Statistics                      |
|                                                                                                |          |          | 3:30-4:45PM   | PCC CL01             | Computer Organization & Architecture          |
|                                                                                                | 31.10.25 | Friday   | 1:45PM-3:00PM | PCC CL02             | Data Structure & Algorithm                    |
|                                                                                                |          |          | 3:30-4:45PM   | PCC CL03             | Object Oriented Programming & Methodology     |
|                                                                                                | 01.11.25 | Saturday | 1:45PM-3:00PM | PCC CL04             | Introduction to Artificial Intelligence       |
|                                                                                                |          |          | 3:30-4:45PM   | HSMC HS04            | Entrepreneurship and Principles of Management |

**INSTRUTIONS:**

- Mobile phones and all electronic devices are strictly prohibited in the examination hall.
- Possession of any electronic device or mobile phone during the examination will be treated as a case of **UFM (Unfair Means)**.
- If you bring any valuable items, please keep them outside the hall at your own risk.
- No student will be allowed to enter the examination hall **15 minutes** after the commencement of the exam.
- All students must occupy their allotted seats according to the seating chart at **least 15 minutes** before the examination begins.
