ANNUAL REPORT

ACADEMIC YEAR 2024-25

IPS Academy

Institute of Engineering & Science

(A UGC Autonomous Institute, Affiliated to RGPV Bhopal)

Knowledge Village, Rajendra Nagar, A.B. Road, Indore-452012 (M.P.) INDIA

Contents

1. Institute Profile

1.1 Principal Report

IPS Academy, Institute of Engineering & Science, a UGC Autonomous institute affiliated to RGPV Bhopal, stands as a beacon of quality technical education rooted in its guiding motto: *"Knowledge, Skill & Values."* Driven by the core principles of discipline, determination, and dedication, the institute continues to scale new heights in academic and holistic excellence. With a strong team of dedicated faculty members and the visionary leadership of the Governing Body, Academic Council, and Board of Studies, the institute provides a dynamic and inclusive learning environment that nurtures innovation, fosters critical thinking, and prepares students to meet global challenges.

The institute has consistently demonstrated excellence in technical education, earning numerous prestigious accolades and national rankings. In the *Times Engineering Survey 2025* conducted by OMS (a division of Times Internet Limited) in collaboration with i3rc Insights Pvt. Ltd., the Institute secured 25th rank among the Top 125 Private Engineering Institutes, 27th among the Top 175 Engineering Institutes, 47th in the Top 70 Private Institutes for Placement, and an impressive 6th rank in the West Zone. Recognized for academic distinction, the institute was ranked 16th among Top Engineering Colleges of Excellence by *CSR-GHRDC Engineering College Survey 2023*. It was awarded an esteemed AAA+ rating by *Careers 360*, reinforcing its reputation as a premier engineering institution.

The institute is recognized by AICTE, accredited by NAAC, and holds NBA accreditation for all eligible UG programs, affirming its commitment to quality education and continuous improvement. Embracing Outcome-Based Education (OBE) and experiential learning, the institute equips students with innovation-driven, industry-relevant skills. It was honored as one of the Top 5 Performing Institution Innovation Councils (IICs) in the Central India Zone by the Ministry of Education, Government of India, and actively mentors five other institutions in establishing IICs and Idea Labs.

Further laurels include recognition as a Top Performing Remote Centre under the NMEICT initiative, awards for excellence in the Spoken Tutorial Program, and distinction as a Band Performer in ARIIA 2021, reflecting its innovation ecosystem. Adding to its achievements, the Institute received the ICI Ultratech Construction Award 2024 for Excellence in Concrete Promotion (Academic), acknowledging its leadership in construction and civil engineering education. These recognitions underscore the institute's unwavering dedication to academic quality, innovation, and national impact.

The institute stands as a beacon of quality engineering education, committed to nurturing future-ready professionals through academic rigor and innovation. Currently, it offers a diverse array of 13 undergraduate (UG) programs and 8 postgraduate (PG) programs. Additionally, there are 3 UG and 2 PG programs specifically tailored for working professionals, allowing for flexible learning opportunities. Further expanding its academic footprint, the institute has started an Off-Campus 1 at Vijay Nagar, Indore, offering 04 UG programs to cater to the growing demand for technical education in the region.

The academic framework of the institute is thoughtfully designed to foster both theoretical depth and practical competence, empowering students with the knowledge and skills required to excel in a dynamic professional environment. Emphasis is placed not only on academic proficiency but also on nurturing critical thinking, analytical reasoning,

interpersonal abilities, and effective communication skills—attributes essential for holistic development.

In line with the National Education Policy (NEP) and the AICTE Model Curriculum, the institute has introduced a diverse array of credit-based courses aimed at broadening student exposure and promoting academic flexibility. These courses include liberal learning, foreign languages, open electives, and interdisciplinary foundation subjects, promoting a multidisciplinary and holistic learning experience. Further strengthening its commitment to culturally rooted education, the institute was selected among 79 institutions nationwide for the prestigious Indian Knowledge System (IKS) Internship Program 2025, launched by the Ministry of Education, GoI. The institute also supports academic flexibility through systems such as the Flexible Entry-Exit framework, Choice-Based Credit Registration, and Minor/Honors Certification Tracks available across all UG and PG programs.

To maintain relevance and alignment with industry standards, the curriculum is periodically reviewed and upgraded in close consultation with the Board of Studies (BoS), Academic Council members (including university-nominated experts), industry professionals, and department-level advisory boards. This collaborative approach ensures that every program remains current with technological trends and industrial demands, preparing students for real-world challenges and opportunities.

In a significant step towards global academic integration, the institute has signed Memoranda of Understanding (MoUs) with two prestigious institutions — the University of California, Los Angeles (UCLA) and Worcester Polytechnic Institute (WPI), USA. These collaborations facilitate student exchanges through specialized certification programs, offering our students an exceptional opportunity to immerse themselves in diverse academic environments.

This international collaboration not only improves technical skills but also promotes understanding between different cultures. Exposure to diverse teaching methodologies and international academic perspectives empowers students to broaden their worldview and build essential global competencies. These strategic collaborations play a vital role in shaping well-rounded global professionals prepared to thrive in an increasingly interconnected world.

The institute firmly believes that real educational transformation occurs when knowledge building is a collaborative process and growth is a collective enterprise. To this end, 46 MoUs have been signed with leading industries and reputed national and international institutions. These partnerships promote collaborative research, knowledge sharing, and both student and faculty exchange programs, enriching the academic and research environment of the institute.

Beyond academic excellence, the institute is committed to ensuring the well-being of its stakeholders, especially in today's demanding educational climate. Recognizing the importance of mental and emotional health, the institute has established a dedicated Wellness Centre, which conducts regular workshops and awareness sessions for students, faculty, and staff.

Further reinforcing its commitment to holistic education, the institute has introduced a one-credit course in Psychology across all undergraduate programs, promoting mental health awareness and personal development as an integral part of the learning journey.

To promote and foster mutually beneficial interaction between Alumni and the institute, a registered Alumni Association is in place, which contributes significantly to the development of the institution in all spheres.

There is a committed team of qualified teachers who, by all means, encompass the students with their treasure of knowledge. They have been honored with significant recognitions such as Post-Doctoral Fellowships, the MP Young Scientist Awards, and Young Women Scientists Awards, showcasing the institute's commitment to fostering cutting-edge research and promoting women in science. Additionally, there are a significant number of respected industry experts serving as Advisory Board members and Adjunct Faculty to meet the needs of all academic programs.

Here are some major achievements and accolades featured at the institute by the students and faculty during the last academic year.

Academic Attainment

The following UG/PG programs are currently offered by the institute:

UG programs:
1. B.Tech in Civil Engineering
2. B.Tech in Chemical Engineering
3. B.Tech in Computer Science and Engineering
4. B.Tech in Computer Science and Information Technology
5. B.Tech in Electronics and Communication Engineering
6. B.Tech in Electrical and Electronics Engineering
7. B.Tech in Fire Technology & Safety Engineering
8. B.Tech in Mechanical Engineering
9. B.Tech in Computer Science and Engineering (Data Science)
10. B.Tech in Computer Science and Engineering (IOT)
11. B.Tech in Computer Science and Engineering (Artificial Intelligence and Machine Learning)
12. B.Tech in Computer Science and Engineering (Regional Language)
13. B.Tech in Computer Science and Engineering (Internet of Things and Cyber Security Including Block Chain Technology)

PG programs:
1. M.Tech in Structural Engineering
2. M.Tech in Construction Planning & Management
3. M.Tech in Chemical Engineering
4. M.Tech in Power Electronics
5. M.Tech in Industrial Safety Engineering
6. M.Tech in Robotics
7. M.E. in Data Science
8. M.E. in Digital Communication Engineering

The following UG/PG programs for working professionals are introduced for the academic year 2025-2026

UG programs:
1. B.Tech in Civil Engineering
2. B.Tech in Electrical and Electronics Engineering

3. B.Tech in Mechanical Engineering

PG programs:
1. M. Tech in Industrial Safety Engineering
2. M. Tech in Structural Engineering

The following UG programs are introduced in Off Campus for the academic year 2025-2026

UG programs:
1. B.Tech in Artificial Intelligence and Machine Learning
2. B.Tech in Computer Engineering
3. B.Tech in Computer Science and Engineering
4. B.Tech in Computer Science and Information Technology

Research and Development

The institute is a hub of research and innovation, supported by state-of-the-art laboratories and collaborative initiatives. Research efforts span vital areas such as microfluidics for healthcare applications, cancer diagnosis, and seismic analysis, with funding from prominent Indian and international agencies. Further amplifying its impact, the institute has established collaborative research partnerships with institutions in Sri Lanka, Russia, Turkey, Japan, and Ethiopia.

Publication of Research Papers in Journals & Patents

The faculty members have published a total of 41 research papers in international journals and 5 in national journals. Additionally, they have presented 44 papers at international conferences and 14 at national conferences. Furthermore, they have been awarded 4 design patents and have 5 patents that are currently published.

Research Projects

The institute is currently engaged in nine research projects, funded by SERB, DST, the Indian Knowledge System (IKS) Division under the Ministry of Education, and internal seed money grants. These projects are conducted in collaboration with national and international partners and cover diverse areas, including:

• Integrating Traditional Water Wisdom into Sustainable Urban Water Management
• Drug diffusion studies in skin-on-a-chip devices: Numerical simulations and experiments
• Experimental Investigation for Earthquake Performance of Existing Structures (Prototype Models)
• Internet of Things (IoT) based Health Monitoring System
• Drug diffusion studies on skin-on-a-chip: Influence of shear stress.
• Web Development for Enterprise Resource Planning (ERP).
• Design & Fabrication of Electric All-Terrain Vehicle (ATV).
• Mobile Application Development for Campus Management System
• Creating an Environment and integrated it with Haptic Gloves

Collaboration with National/International Organizations

• Catholic University Hungary for Research on Drug diffusion studies in skin-on-a-chip devices: Numerical simulations and experiments.
• University of Peradeniya, Sri Lanka for Research on Can Perio-pathogenic bacteria and candida spp act as biomarkers of saliva in oral cancer? A non-invasive diagnosis of oral cancer in a micro-fluidics platform.

- National Institute of Fundamental Studies, Sri-Lanka for Research on the Effect of Bio-fertilizer on different rhizosphere microbes in a micro-fluidic platform.
- Moscow Institute of Physics & Technology, Russia, for Research on Seismic Performance Assessment of Existing Structure.
- Russian Academy of Science, Moscow, Russia for Research on Computer simulation & wave deformation, and destructive process.
- Jimma University Ethopia for Research on Water & waste water treatment.
- Sivas Curmuhiyet University, Turkey for Research on Molecular docking study for Cancer.
- Worcester Polytechnic Institute, Massachusetts, USA for Joint Research Activity and Publications.
- Indian Institute of Technology Indore for research on "Drug diffusion studies in skin –on-a -chip devises: Numerical simulation & experiments".
- Airport Authority of India for Small Duration Projects related to Civil Aviation and student internship.
- VLSI Society of India (VSI) for Developing Talent, Research, Start-ups and employment opportunities in the area of VLSI design and Semiconductors.
- Vikram University Ujjain, VNR Vignana Jyothi Institute, Hyderabad for Research on developed a cost effective and efficient prototype of secured temporal database with digitalized health wallet for student's health information.
- Indian Environment Consultancy & Research (IECRS), Nagpur for Working on Collaborative Research Project, faculty/student exchange program.
- Consortium for DEWATS Dissemination Society, Bangalore for Working on Collaborative Research Project, faculty/student exchange program.
- CSIR – National Institute for Interdisciplinary Science and Technology (NIIST), Kerala for Working on Collaborative Research Project, faculty/student exchange program.
- Shakti Pumps (India) Limited, Pithampur for Working on live projects & student internship.
- Maven Silicon Softech Private limited, Bangalore for Working in the field of semiconductor including (Mainly including VLSI Design) and student internship.
- SIEVES'S Environmental Service, Indore for working in the field of solid waste management & industrial waste water treatment.
- BITS Dubai, International Academic City, Dubai, UAE for working in the field of Activation of carbon (B. Tech Student Project).
- BITS Pilani, for working in the field of Assessment of Water Quality Using QGIS: A Geospatial Approach for Sustainable Resource Management (M. Tech Student Project).
- RRCAT Indore, for working in the field of A Study of Performance of Multi Storey RCC Frame with Transfer Girder under Seismic Excitation (M. Tech Student Project).
- Garuda Aerospace Private Limited, Tamil Nadu to establish a Centre of Excellence in Drone Technology.
- Ultra-Tech Cement Ltd to establish a Center of Excellence for Sustainable Materials.

Students Achievements

The students of the institute demonstrated remarkable academic excellence throughout the year. A total of 261 students earned academic awards across various prestigious platforms,

including project competitions, technical festivals, conferences, and hackathons. Showcasing their research aptitude, 8 students published papers in reputed international journals, while 15 students presented their work at international conferences, and 58 students at national-level conferences and seminars. Further strengthening their technical proficiency, over 1400 students actively participated in national and international technical workshops, gaining valuable exposure to emerging technologies and industry practices.

Students excelled in various activities other than academics.

- Eight teams participated in the world's biggest open platform (Smart India Hackathon -2024) for innovators organized by the Ministry of Education GoI. Among them, one team competing in Noida won the first prize with a cash reward of Rs. 1 lakh. Additionally, the other participating teams have made remarkable achievements by being part of an elite club of 1500 selections out of 60,000 ideas submitted.

- The BAJA team of the institute showcased an outstanding performance at the Autonomous BAJA 2024 competition, earning multiple top honors including AIR 1 Overall Winner Award (₹75,000), AIR 1 in Physical Dynamic (₹35,000), and AIR 1 in Remote Drive System (₹25,000). The team's mentor was honored with the prestigious Dronacharya Award (Trophy and Samsung Tab) for Best Faculty Advisor. Additionally, the team secured AIR 2 in both Business Presentation and Design Presentation categories.

- At ATVC (Aravalli Terrain Vehicle Championship) 2025 the BAJA team clinched AIR 1 in Acceleration (₹10,000), Suspension & Traction (₹15,000), Endurance Race (₹20,000), and the Overall Winner Award (₹40,000), along with AIR 2 in Maneuverability (₹10,000) and Business Presentation (₹7,000), were accumulating total prize money of ₹1, 02,000.

- The team further demonstrated their engineering prowess by securing the position of 1st Runner-Up at the VECV (Volvo Eicher Commercial Vehicle) NextGen Technology Expo, Pithampur, Indore.

- Seven B.Tech III Year Civil Engineering students were selected for the PMAY-G Summer Internship 2025, organized under the Pradhan Mantri Awas Yojana – Gramin (PMAY-G), Government of Madhya Pradesh. The internship is mentored by the School of Planning and Architecture, Bhopal. Each student will receive a monthly stipend of ₹25,000 (₹20,000 + ₹5,000 allowance) for two months, along with a Certificate of Completion.

- Omanshi Rathore, Yashu Yadav, Prateek Mourya, and Adish Jain, Civil Engineering students from the institute, secured 3rd Prize in the Waste Management category at the SRIJAN competition, organized under the Innovate MP initiative by RGPV, Bhopal. The team was awarded a cash prize of ₹10,000, reflecting their dedication to sustainable and innovative solutions.

- Institute was selected for the IKS Internship Program 2025. Under this program, participating Civil Engineering interns receive a monthly stipend of up to ₹10,000, while the institute is provided ₹5,000 per intern per month to facilitate and manage the internship process.

- Ginni Jain, a Computer Science Engineering student, secured an internship offer from Amazon as a Software Development Engineer Intern. She will receive a monthly stipend of ₹1,10,000 marking a significant achievement and reflecting the institute's strong academic foundation and industry readiness.

- Abhishek Sha brought great pride to the institute through his outstanding performance at the Republic Day Camp 2025. He was honored with the prestigious Kartavyapath Medal and received a Prashasti Patra from the Hon'ble Governor of Madhya Pradesh. In recognition of his excellence and dedication, he was also awarded Excellence Medals by both the Hon'ble Governor and the Hon'ble Chief Minister of Madhya Pradesh, reflecting his exceptional achievements and leadership as an NCC cadet.
- Keshav Parashar was honored with the Master of Ceremony award at the All India Amarkantak Trekking Expedition National Camp. During the camp, he also actively participated in various sports events, notably representing the Madhya Pradesh & Chhattisgarh team in Tug of War, showcasing his versatility, leadership, and team spirit at the national level.
- Vishal Dhakad was selected by the NCC Directorate of Madhya Pradesh and Chhattisgarh to participate in the Army Camp held in Delhi from September 2-13, 2024.

Co-curricular/ Extra-curricular events

The Board of Student Welfare (BSW) was established to plan and implement various initiatives for student welfare. It serves as a dynamic platform primarily comprising student representatives from each academic year, supported by a few faculty members who mentor and guide the activities. BSW is actively involved in organizing and overseeing a wide range of extracurricular and co-curricular activities such as TEDx events, planning forums, sports meets, debate and elocution competitions, publication of the college magazine, and cultural programs. All initiatives are executed in close collaboration with the Dean of Student Welfare, creating a comprehensive developmental environment for the student community.

Under the umbrella of the Student Welfare Committee, several vibrant student clubs operate to nurture creativity, leadership, and innovation. These include the Dance Club, Sarfarosh Club (for plays and drama), Music Club, Photography and Media Club, Samarpan Club (social outreach), Srinivasa Ramanujan Mathematics Club, Robotics Club, C.V. Raman Science Club, Standard Club, and Scintilla – the Literary Club. These clubs provide students with valuable platforms to pursue their passions beyond academics, contributing to a well-rounded and enriching campus experience.

Notably, the Standards Club of the institute was felicitated on October 8, 2024, in a prestigious ceremony attended by Hon'ble Shri Shankar Lalwani, Member of Parliament, Indore; Shri Nilesh Trivedi, Assistant Director, MSME; Mrs. Gimi Maheti, IAS, CEO, Jila Panchayat Indore; and Directors of the Standards Club, Government of India. This recognition highlights the club's active role in promoting quality standards and innovation among students, aligning with national missions to advance excellence in technical education and industrial development.

The institute actively promotes the holistic development of students by organizing a diverse range of curricular and extracurricular activities throughout the year.

Key highlights include:

- **Three Week Student Induction Program**
  An Induction Program was organized from September, 09-28, 2024, to welcome newly admitted students. The program was inaugurated by Prof. D. P. Agarwal, former UPSC Chairman, who inspired students to set meaningful goals. Sessions by eminent speakers including Prof. Prachi Gharpure, Dr. Indira Rawat, and Mr.

Prashant Hemnani focused on design thinking, mental well-being, and global education opportunities.

- **Silver Jubilee Foundation Day Celebration**
  The Silver Jubilee Foundation Day of IPS Academy, Institute of Engineering and Science, was celebrated on September 21, 2024, with great enthusiasm. The event began with an inspirational speech by the Principal and a soulful Ganesh Vandana. Esteemed dignitaries delivered motivating addresses, followed by a cake-cutting ceremony and cultural performances by students. The celebration marked 25 years of excellence, reflecting the institute's rich legacy and vibrant spirit.

- **SPIC MACAY – Indian Classical Music**
  IPS Academy, Institute of Engineering and Science, Indore, in collaboration with **SPIC MACAY** (Society for the Promotion of Indian Classical Music and Culture Amongst Youth), organized a captivating classical music evening on **December 14, 2024**. The highlight of the event was a **soulful live performance by the legendary vocalist Pt. Ajay Pohankar**, whose powerful renditions left the audience mesmerized. The event served as a meaningful initiative to connect the younger generation with the timeless beauty of Indian classical music.

- **TEDx IPSA Indore – Theme: "CONSTELLATION"**
  Organized under the globally recognized TEDx banner *on March 08, 2025*, this event brought together visionary speakers and thought leaders to share inspiring ideas around the theme *"CONSTELLATION"*, symbolizing connection, innovation, and the power of collective impact.

- **Establishment of NCC/NSS/NSO/NCA & Liberal Learning Courses**
  The institute has established NCC, NSS, NSO, and NCA units, aligning with its vision of shaping responsible and disciplined citizens. In line with NEP, credit-based courses under Liberal Learning have been introduced to encourage interdisciplinary growth and holistic education.

- **Sports Achievements and Award Ceremony**
  A Sports Award Ceremony was held on March 29, 2025, to honor and celebrate the outstanding achievements of students in various sports disciplines. The event served as a platform to recognize their dedication, discipline, and excellence in competitive sports. At the Nodal Level, students secured a total of 16 Gold, 14 Silver, and 3 Bronze medals in individual events such as Athletics, Yoga, Karate, and Taekwondo. In team events, the institute emerged as winners in Lawn Tennis, Football, and Cricket, and as runners-up in Volleyball and Badminton. Participation was equally commendable with 18 students competing at the National Level, 49 at the State Level, 263 at the Nodal Level, and over 1090 students actively participating in Inter-Department Level competitions.

- **Cultural Activities – Swarajali Annual Fest**
  As part of the institute's commitment to nurturing cultural talent, the annual fest 'Swaranjali' was organized with enthusiastic student participation in a variety of events such as Voice of IES, IES Super Dancer, Poetry Competition, Photography, Face Art, Anand Mela, Rangoli, and Band Performances. The fest recognized outstanding contributions with special titles, including Student of the Year awarded to Omanshi Rathore (Civil Engineering), Overall Performers awarded to Aashi Sharma (Electrical & Electronics Engineering) and Diksha Jain (Computer Science Engineering – Data Science), and Face in the Crowd recognitions given to Bhavesh Ghanshani, Aditya Thakur, and Sanjay Tiwari (Computer Science/IT stream).

Notably, Manya Madhu (Civil Engineering) earned a Guinness World Record for participating in the largest Kathak performance at the Khajuraho Dance Festival, while Ujjwal Shete (CSE – Data Science) proudly represented the institute by performing the Dhol at the Attari Border during the Republic Day celebrations. Sonali Singh (CSE) also won the First Prize in National Event Tooryanath 24 Abhivayakti dance competition at MANIT Bhopal.

- **Industrial Visits & Training Programs**
  To bridge academic learning with industrial exposure, the institute organized:
  o 08 Industrial Visits/Tours
  o 27 Technical and Skill Development Training Programs
  These activities enhance real-world understanding and career readiness.

- **Celebration of National and International Days**
  To promote awareness, intellectual engagement, and holistic development, the institute observed several important national and international days throughout the academic year. Events were organized to commemorate Engineers Day, Teachers Day, National Mathematics Day, National Science Day, World Ozone Day, Women's Day, Hindi Diwas, and Computer Literacy Day, among others. These celebrations provided valuable opportunities for students and faculty to reflect on the significance of each occasion while fostering a deeper understanding of scientific, environmental, social, and cultural values.

- **Yoga and Meditation Workshops**
  Interactive workshops on yoga and meditation were organized to promote mental wellness, focus, and stress management among students.

Innovation and Entrepreneurship

The institute celebrates its achievements in innovation and entrepreneurship. The establishment of the Innovation and Entrepreneurship Development Centre (IEDC) has provided students with opportunities to showcase their innovative ideas. Notably, eight teams from the institute participated in the Smart India Hackathon (SIH-2024), a national innovators' platform, with one team winning the top prize.

Additionally, the institute's BAJA team excelled in major competitions, earning accolades and cash prizes. The institute also hosted a TEDx event, fostering discussions on innovative ideas.

Recognized by AICTE, the institute's Idea Lab and Incubation Cell support student projects and startups supported by the Micro, Small & Medium Enterprises (MSME) Ministry, Government of India.

The institute has received accolades from the Ministry of Education, Government of India and, ARIIA (Atal Ranking of Institutions on Innovation Achievements), recognized in the "PERFORMER" band for its initiatives in innovation and entrepreneurship.

The institute is committed to fostering an innovation ecosystem and supporting student projects. It has established an Augmented Reality/Virtual Reality Lab as recommended by the AICTE. Additionally, a fully funded Semiconductor Lab, created by the Ministry of Electronics and Information Technology under the Chips to Startup (C2S) program, has been implemented without any financial burden on the institute. This lab features advanced VLSI tools such as Cadence, Synopsys, and FPGA boards, significantly enhancing academic and research capabilities in chip design, semiconductor development, and embedded systems.

Demonstrating the strength of innovation ecosystem, one of the institute's mentored ideas has been selected in the prestigious MSME Idea Hackathon 4.0 (Youth). With funding support of ₹15 lakhs, the idea stands out among more than 35,000 submissions nationwide, one of only 488 selected. Notably, IPS Academy, Institute of Engineering & Science, is one of just seven institutions from Madhya Pradesh, including IIT Indore, to receive this recognition, marking a proud milestone in our journey of innovation and entrepreneurship.

The Institute Innovation Council (IIC) regularly arranges different programs for students to promote innovation and entrepreneurship. Some of these programs may include:

- Celebration of National Education Day on Nov. 12, 2024
- Celebration of National Entrepreneurship Day on Nov. 09, 2024
- Seminar on Entrepreneurship Awareness Program on Sep 25, 2024
- Identification of Problems in Rural Areas for I&E Activities in line with UN SDGs (Rural Outreach & E- Waste Awareness Drive), Gawali Palasiya on Oct. 09, 2024
- Internal Hackathon I (Smart India Hackathon) on Sep. 05, 2024
- Expert Lecture on Awareness of Trends & Technology (National Energy Conservation Day) on Dec. 13, 2024
- Celebration of National Pollution Day (Waste Management) on Dec. 02, 2024
- Session by Technical Skill Development (National Start-up Day) on Jan. 17, 2025
- Celebration of National Youth Day (Wellness Workshop) on Jan. 11, 2025
- Organized Innovation & Designing of Systems using Internet of Things 25 Jan. 2025
- Workshop of Innovation for SIC and Identification & Entrepreneurship Opportunities in Rural Areas (Rural Outreach & E- Waste Awareness Drive) on Feb. 28, 2025
- Field Exposure Visit to Fab Lab at (Raja Ramanna Centre for Advanced Technology (RRCAT)) on Feb. 23, 2025
- Organized Quiz Competition on understanding the Starting of a Startup on 10 - 11, Jan. 2025
- International Women's Day (Accelerate Action) on March 08, 2025
- B- Plan- Pitching & Demonstration Exhibition of Prototype on Feb. 28, 2025
- Visit to Rural Area as a Source of Start-up Idea Entrepreneurship & Innovation for Engineers (Rural Outreach & E- Waste Awareness Drive), Berchha on March 07, 2025
- Explore Innovation & Entrepreneurship Opportunities in Rural Areas (Rural Outreach & E- Waste Awareness Drive), Harsola on March 01, 2025
- Innovation & Entrepreneurship Outreach Program in Rural School (Rural Outreach & E- Waste Awareness Drive), Tihi on March 22, 2025
- Leadership talk "Aurora" on April 27, 2025

Training & Placement

A dedicated team is consistently conducting sessions for improving soft skills & technical skills of the students and coordinating with the industries for internships, and an independent placement cell is coordinating with the companies for providing opportunities to the students. So far, 46 companies have visited the campus, with 30% of students already placed, and the placement process is still in progress. The highest package offered till now is ₹17.4 lakhs per annum by Indian Oil Corporation Ltd. (IOCL). Notably, a student secured a prestigious internship offer from Amazon as a Software Development Engineer Intern, with a monthly stipend of ₹1,10,000.

Industry Institute Collaboration

IPS Academy, Institute of Engineering & Science, continues to strengthen its industry partnerships to promote innovation, skill development, and enhance students' industry readiness. These efforts have led to impactful collaborations and valuable real-world learning opportunities. A key achievement includes the successful completion of a one-week Remote Pilot Certificate (RPC) training program, conducted by Garuda Aerospace, Chennai, with DGCA (Directorate General of Civil Aviation) approval, at no cost to the institute, despite its typical value of over ₹30,000. Building on this, Garuda Aerospace is set to provide equipment worth approximately ₹7 lakhs to establish a fully sponsored Center of Excellence in Drone Technology on campus. Further reflecting the success of this collaboration, one of our students has been placed as a Relationship Manager at Garuda Aerospace Pvt. Ltd., showcasing the institute's growing engagement with emerging technologies and industry leaders.

- **Centers of Excellence Established:**
  * In collaboration with UltraTech Cement Ltd., a Centre of Excellence for Sustainable Materials has been established to advance innovation in eco-friendly construction technologies and materials.
  * A Centre of Excellence in Drone Technology has been set up in partnership with Garuda Aerospace, providing cutting-edge training, research opportunities, and hands-on learning.
- **Industry Expert Sessions:**
  * A total of 38 expert sessions were conducted by professionals from various industries, giving students valuable exposure to current technologies, tools, and industry practices.
- **Strategic Industry Partnerships:**
  * The institute signed 04 Memoranda of Understanding (MoUs) with reputed industry partners to facilitate collaborative training programs, internships, joint research projects, and academic resource sharing.
- **Industrial Visits for Experiential Learning:**
  * 08 industrial visits were organized, offering students practical exposure to industrial operations, technologies, and workplace environments.
- **Industrial Training & Internships:**
  * More than 150 industries provided industrial training and internship opportunities to students across various engineering domains.

Major National & International Conferences/Events Organized

The institute has significantly enhanced its academic and professional presence by organizing a series of impactful national and international events throughout the academic year. These initiatives were strategically designed to promote interdisciplinary learning, advance research excellence, improve faculty competencies, and actively engage students in knowledge-driven experiences. Over the year, the institute successfully hosted 02 international conferences, 12 faculty development programs and short-term training programs (STTPs), 25 skill-oriented workshops, 09 insightful seminars, and 07 refresher courses. This reflects our unwavering commitment to continuous learning, innovation, and academic leadership both nationally and globally.

Notable Events and Conferences:

- **International Conference on "Emerging Practices in Contemporary Language & Literature" (EPCLL 2025),** *April 24–25, 2025*- A multidisciplinary conference that

explored evolving methodologies and research in language, literature, and communication, drawing participation from scholars across the globe.

- **IEEE International Conference on "Computational, Communication and Information Technology" (ICCCIT 2025),** *February 07–08, 2025* - This prestigious IEEE-sponsored event brought together leading researchers and professionals to discuss advances in computation, communication systems, and IT innovation, fostering academic-industry collaboration.

- **HR Conclave 2025 on "Human Intelligence Vs Artificial Intelligence"**, January 24, 2025 – This thought-provoking event brought together distinguished HR professionals, industry leaders, and academicians to explore the evolving relationship between human intelligence and artificial intelligence in the modern workplace. The conclave provided a platform for insightful discussions on future workforce skills, AI ethics, and the synergy between human creativity and machine efficiency, fostering dialogue between academia and industry.

- **Workshop on "Autonomous BAJA" in collaboration with BAJA SAEINDIA,** *January 04–05, 2025*- A hands-on workshop that provided engineering students with deep insights into the design, control, and simulation of autonomous all-terrain vehicles.

- **AICTE-ATAL Sponsored Online FDP on "Risk to Resilience: Innovative Resilient Strategies for Mitigating Climate Change",** *December 16–21, 2024*- This one-week Faculty Development Program focused on equipping educators and professionals with practical, research-backed strategies for climate resilience and environmental sustainability.

- **A One-Day Seminar on *Industrial Safety* was jointly organized by the National Safety Council, India,** *October 18, 2024*- The seminar aimed to raise awareness about workplace safety practices, risk management, and regulatory compliance, and featured expert sessions from industry professionals and safety practitioners.

- **Skill Development Training Program on "Geotechnical Investigation and Highway Material Testing",** *October 07–08, 2024*- The training was organized in collaboration with the Indian Geotechnical Society (IGS), Indore Local Chapter, and Index Laboratory Pvt. Ltd. This technical training offered practical exposure in soil mechanics and highway material testing, enhancing students' field knowledge in civil engineering.

Major Programmes Organized
IPS Academy, Institute of Engineering & Science remains committed to nurturing innovation, research aptitude, and industry-oriented skills through the organization of various academic and technical programs. These events provide students with dynamic platforms to explore contemporary challenges, showcase their innovations, and engage in peer learning.

<div align="center">Flagship Events and Competitions:</div>

- **Srujan – National Seminar on "Innovative Solutions for Smooth Traffic Flow in Metropolis"** Organized by the **Department of Civil Engineering**, this seminar aimed to explore innovative, sustainable, and technology-driven approaches to address urban traffic congestion and mobility challenges in metropolitan areas.

- **Neev – National Level Student Paper Presentation on "Sustainable Water Management and Planning"** Also led by the **Department of Civil Engineering**, Neev focused on promoting awareness and research on efficient water resource planning and sustainability, attracting participants from institutes across the country.

- **Sameeksha – Annual Quiz Competition** A prestigious knowledge-based competition hosted by the **Department of Civil Engineering**, encouraging students to enhance their technical awareness and aptitude through a competitive and engaging platform.
- **Udaan – Major Project Competition Cum Exhibition** Organized by the **Department of Computer Science and Engineering,** Udaan showcased innovative major projects by final-year students, emphasizing practical solutions, interdisciplinary applications, and tech-driven societal impact.
- **Engrosser – All India Technical Paper Writing Competition** Conducted by the **Department of Chemical Engineering**, this event invited students nationwide to submit research-based technical papers, fostering scientific inquiry, analytical thinking, and written communication.
- **Vinidicator – Project & Technical Paper Presentation with Outdoor Firefighting Competition** Hosted by the **Department of Fire and Safety Engineering**, Vinidicator combined academic and real-world emergency response skills through technical presentations and an outdoor firefighting simulation, testing the readiness and innovation of student teams.
- **Innovita – National-Level Technical Event by IIChE Student Chapter** A signature event by the **student chapter of the Indian Institute of Chemical Engineers (IIChE),** Innovita featured technical contests, knowledge-sharing sessions, and exhibitions, promoting excellence and creativity in the field of chemical engineering.

Social Initiatives

National Service Scheme (NSS)
The National Service Scheme (NSS) unit of institute is established for a meaningful linkage between the campus and the community. IPS Academy, Institute of Engineering & Science gets approval of its NSS unit with 100 volunteers in year 2023-24.

The NSS unit of the institute is divided into five main domains: Education, Health and Nutrition, Hygiene, Safety, and Environment, which guide its regular activities according to the NSS academic calendar. Students participate in various programs in adopted villages, institute campuses, and urban slums during weekends or after institute hours. Every student is required to dedicate 120 hours to these activities in order to earn credits under the liberal learning category in the first year of the course.

<div align="center">Key Activities Conducted:</div>

- **Amrit Kalsh Yatra – "Meri Mati Mera Desh Abhiyan"** *(October 15, 2024)*
  - Organized on campus to honor martyrs and promote patriotism among youth.
- **Drug De-Addiction Campaign – Skit Performance** *(October 21, 2024)*
  - Performed by NSS volunteer groups to raise awareness about substance abuse.
- **Seven-day Residential Camp at the village Shriram Talwali (October 20-26, 2024)**
  - The camp concluded on a positive note, achieving its intended objectives and fostering community engagement.
- **Debate on "One Nation, One Election"** *(November 4–5, 2024)*
  - Institute-wide debate competition opens to all students to encourage political awareness and critical thinking.
- **Voter Awareness Session and Pledge** *(November 4, 2024)*
  - Included speeches on the importance of voting followed by a mass pledge to promote voter participation.
- **Quiz Competition on the Constitution of India** *(November 26, 2024)*
  - Conducted to mark **Constitution Day**, promoting civic knowledge and engagement.

- **Awareness Session on Constitution of India** *(November 26, 2024)*
  - Educational session held to commemorate the adoption of the Indian Constitution on **November 26, 1949**.
- **Blood Donation Camp & AIDS Awareness Drive** *(December 7, 2024)*
  - Organized in collaboration with **HDFC Bank** and **Model Blood Bank, M.Y. Hospital Indore**, raising awareness on HIV/AIDS and encouraging blood donation.
- **National Youth Day Celebration** *(January 12, 2025)*
  - Celebrated in honor of **Swami Vivekananda's birth anniversary**, emphasizing youth empowerment and cultural values.

National Cadet Corps (NCC)

IPS Academy, Institute of Engineering & Science proudly hosts a Senior Division unit comprising 53 cadets — 36 Senior Division Army (SDA) and 17 Senior Wing Army (SWA) — under the fully self-financed scheme of the 9 MP Battalion NCC, Indore. The NCC at the institute continues to play a vital role in shaping responsible, disciplined, and service-oriented youth. With its core mission of fostering character, camaraderie, leadership, discipline, and a spirit of national integration, the NCC prepares cadets to serve the nation across all walks of life.

Throughout the academic year 2024–25, cadets participated in a series of impactful initiatives.

Major Activities Conducted:

- **Paper Bag Day** *(July 12, 2024)*:
  - Organized slogan writing competition, awareness rally, and seminars to promote eco-friendly practices.
- **Mega Tree Plantation Drive at Revati Range** *(July 14, 2024)*:
  - Participated in a historic plantation event where **11 lakh trees** were planted within **24 hours**.
- **Campus Tree Plantation Drive** *(July 19, 2024)*:
  - NCC cadets and NSS volunteers planted saplings within the institute premises.
- **Swachh Bharat Abhiyan under Puneet Sagar Scheme** *(October 3, 2024)*:
  - Conducted a cleanliness drive in and around the IPS Academy campus as per NCC DG office directives.
- **Weapon Training Program** *(January 15, 2025)*:
  - Hands-on training in basic weapon handling, safety procedures, and live firing with **.22 caliber rifles** under Army supervision.
- **One-to-One Infar Action Program** *(January 16, 2025)*:
  - Participated in **Indian Air Force's Induction Publicity Exhibition Vehicle (IPEV) Drive**, aimed at defense awareness and career guidance.
- **Walkathon by NCC Cadets** *(January 25, 2025)*:
  - Participated in a walkathon organized by **NCC Group HQ Indore**, from **Rajwada to Regal Square**, promoting fitness and national service.

Waste Management- The institute collects segregated waste and accordingly treats at Waste Management unit, Water Management & conduct Energy Conservation audits as the part of Social Responsibility, Swachhta and Care for Environment and Resources.

A total of 816 graduates are receiving passing certificates. This includes 793 B.Tech Graduates across 12 engineering disciplines and 23 M.Tech Graduates across 8 specializations. Gold medals were awarded to graduating students who achieved the highest CGPA in each program. The Dr. AN Patel award will be given to the graduating student who showed the most improvement in CGPA from the first semester to the eighth semester.

Additionally, the Indian Geotechnical Society of India sponsored one Gold Medal for scoring the highest marks in Geotechnical Engineering.

1.2 Preamble

IPS Academy, Institute of Engineering and Science, Indore, holds a distinguished status as one of the premier institution established in 1999, dedicated to imparting quality technical education under the motto "Knowledge, Skill & Values". As a UGC Autonomous institute affiliated with RGPV Bhopal and approved by AICTE, the institute offers 14 undergraduate (UG) and 8 postgraduate (PG) programs, also 3 UG and 2 PG programs for working professionals. Operates an Off-Campus at Vijay Nagar, Indore, offering 4 UG programs.

Accredited by NAAC and the National Board of Accreditation (NBA) for all eligible UG programs, the institute adopts Outcome-Based Education (OBE) and experiential learning methods, fostering innovation and industry readiness. 27th among the Top 175 Engineering Institutes in India, 25th among the Top 125 Private Engineering Institutes, 6th among the Top Engineering Institutes in the West Zone & 47th in the Top 70 Private Institutes for Placement under Times Engineering Survey, 2025 by OMS (A Division of Times Internet Limited), research by i3rc Insights Pvt. Ltd., the institute has earned multiple accolades, including recognition as a Band Performer in ARIIA 2021 (Atal Ranking of Institutions on Innovation Achievements, Ministry of Education), the Institute received the ICI Ultratech Construction Award 2024 for Excellence in Concrete Promotion (Academic), acknowledging its leadership in construction and civil engineering education and awards for sustainability initiatives.

1.3 Vision Mission Statements

VISION

To be the fountainhead of novel ideas & innovations in science & technology & persist to be a foundation of pride for all Indians

MISSION

- To provide value based broad Engineering, Technology and Science where education in students is urged to develop their professional skills.
- To inculcate dedication, hard work, sincerity, integrity and ethics in building up overall professional personality of our student and faculty.
- To inculcate a spirit of entrepreneurship and innovation in passing out students.
- To instigate sponsored research and provide consultancy services in technical, educational and industrial areas.

1.4 Programs offered by the institute (2024-25)

S. No.	Branch Name	UG / PG	Year of Establishment	Sanction Intake
1	Computer Science Engineering	UG	1999	300
2	Electronics & Communication Engineering	UG	1999	30
3	Fire Technology & Safety Engineering	UG	1999	120
4	Electrical & Electronics Engineering	UG	2003	30
5	Civil Engineering	UG	2004	60
6	Chemical Engineering	UG	2004	30
7	Mechanical Engineering	UG	2013	30
8	Computer Science and Information Technology	UG	2018	240
9	Computer Science and Engineering (Data Science)	UG	2020	120
10	Computer Science and Engineering (IOT)	UG	2020	60
11	Computer Science and Engineering (Artificial Intelligence	UG	2021	180

	and Machine Learning)			
12	Computer Science and Engineering (Internet of Things and Cyber Security Including Block Chain Technology)	UG	2022	60
13	Agriculture Engineering	UG	2022	30
14	Computer Science and Engineering (Regional Language)	UG	2021	60
15	Working Professional Civil Engineering	UG	2023	60
16	Working Professional Computer Science & Engineering	UG	2024	60
17	Working Professional Mechanical Engineering	UG	2024	30
18	Data Science	PG	2007	18
19	Digital Communication Engineering	PG	2007	09
20	Structural Engineering	PG	2009	18
21	Industrial Safety Engineering	PG	2010	18
22	Chemical Engineering	PG	2011	09
23	Construction Planning and Management	PG	2013	18
24	Power Electronics	PG	2013	09
25	Robotics	PG	2020	18
26	Working Professional Data Science	PG	2024	15
27	Working Professional Industrial Safety Engineering	PG	2024	15

Programs : UG : 14, WP : 03, PG : 08 & WP : 02 Total Intake : UG :1350, WP : 150, PG : 117 & WP : 30

1.5   Admission procedure & fee structure

The admissions are carried out as per rules & regulations of Directorate of Technical Education, Madhya Pradesh. The fee structure is decided by the AFRC, Committee of Govt. of M.P. to decide fee structure.

1.6   List of the Departments

- Civil Engineering
- Chemical Engineering
- Computer Science & Engineering
- Electronics & Communication Engineering
- Electrical & Electronics Engineering
- Fire Technology & Safety Engineering
- Mechanical Engineering
- General Engineering
- Humanities

1.7   Institute chapters & memberships

Institute has life membership of 10 Chapters:

- IWWA – Indian Water Works Association
- ICI – Indian Concrete Institute
- ISTE – Indian Society for Technical Education
- NSC – National Safety council.
- NFPA - National Fire Protection Association
- IFE – Institute of Fire Engineering (UK)
- IEEE - Institution of Electrical & Electronic Engineers
- IIChE – Indian Institute of Chemical Engineers
- CSI - Computer Society of India

- IETE – The Institution of Electronics & Telecommunication Engineer
- ISHRAE - Indian Society of Heating, Refrigerating and Air Conditioning Engineers
- SAE Collegiate Club
- IGS - Indian Geotechnical Society
- SESI - Solar Energy Society of India

1.8 Institute Achievements/Awards

1. UG Programs accredited by NBA (CE, CSE and FT&SE)
2. The Institute Ranked 27th among the top 175 Engineering Colleges in country by Times Engineering Survey 2025 (dated 29th May 2025)
3. The Institute Ranked 25th among the top 125 private Engineering Colleges in country by Times Engineering Survey 2025 (dated 29th May 2025)
4. The Institute Ranked 6th among in the West Zone by Times Engineering Survey 2025 (dated 29th May 2025)
5. The Institute Ranked 47th among Top 70 private Engineering Colleges in country by Times Engineering Survey 2025 (dated 29th May 2025)
6. The Institute Ranked 16th under the ranking of Top Engineering Colleges of Excellence by CSR-GHRDC (Global Human Resource Development Centre) Engineering College Survey 2023.
7. The Institute secured an AAA+ rating by "Careers 360," solidifying its status as one of the premier engineering institute.
8. The institute recognized by AICTE and awarded as one of the top 5 Performing Institution Innovation Council (IIC) in Central India Zone by MHRD and mentoring five colleges of central India for successful establishment of IICs & idea Lab.
9. The institute and the University of California, Los Angeles (UCLA) have signed a memorandum of understanding (MoU) for student exchange under the certification programs.
10. No. of MOUs signed 17 with Industries and National & International Institutes of Repute for collaborative research.
11. In collaboration with UltraTech Cement Ltd., a Centre of Excellence for Sustainable Materials has been established to advance innovation in eco-friendly construction technologies and materials.
12. A Centre of Excellence in Drone Technology has been set up in partnership with Garuda Aerospace, providing cutting-edge training, research opportunities, and hands-on learning.
13. Institute was selected for the IKS Internship Program 2025. Under this program, participating Civil Engineering interns receive a monthly stipend of up to Rs.10,000, while the institute is provided Rs.5,000 per intern per month to facilitate and manage the internship process
14. The BAJA team of the institute showcased an outstanding performance at the Autonomous BAJA 2024 competition, earning multiple top honors including AIR 1 Overall Winner Award (Rs.75,000), AIR 1 in Physical Dynamic (Rs.35,000), and AIR 1 in Remote Drive System (Rs.25,000). The team's mentor was honored with the prestigious Dronacharya Award (Trophy and Samsung Tab) for Best Faculty Advisor. Additionally, the team secured AIR 2 in both Business Presentation and Design Presentation categories.

15. At ATVC (Aravalli Terrain Vehicle Championship) 2025 the BAJA team clinched AIR 1 in Acceleration (Rs.10,000), Suspension & Traction (Rs.15,000), Endurance Race (Rs.20,000), and the Overall Winner Award (Rs.40,000), along with AIR 2 in Maneuverability (Rs.10,000) and Business Presentation (Rs.7,000), were accumulating total prize money of Rs.1, 02,000.

16. The team further demonstrated their engineering prowess by securing the position of 1st Runner-Up at the VECV (Volvo Eicher Commercial Vehicle) NextGen Technology Expo, Pithampur, Indore.

Session 2022-23 in GATE : 11, GRE : 06, TOEFL : 02, Other : 01

2.7   Cultural & Sports Events

2.7.1   Swaranjali - An annual event

Rangoli Competition– Honoring Olympic Glory through Cultural Artistry

The Institute hosted a vibrant Rangoli Competition, themed "Olympic Glory," where students showcased intricate designs and vivid colors to depict the values of unity, dedication, and sportsmanship. The event beautifully blended cultural artistry with the Olympic spirit, celebrating athletic achievements and inspiring pride and togetherness.

Art Competition - Celebrating Creativity and Innovation

The Institute hosted a Unique Art Competition, offering students a platform to showcase their creativity and interpret diverse themes through various art forms. The event celebrated imagination, expression, and the power of art to convey meaningful messages.

Poster and Slogan Competition

The institute organized a thought-provoking poster competition on the theme of *Women's Safety*. The event provided a meaningful platform for students to raise awareness, advocate for change, and promote respect and empowerment for women, encouraging dialogue on creating safer and more inclusive communities.

Kavya Utsav Competition

The Institute hosted *Kavya Utsav*, offering students a vibrant platform to express their emotions and thoughts through poetry on themes like *Lanka Dahan*, *Pita*, *Tum*, *Distance Love*, *Matrabhumi*, and *Luck, Fate and Karma*. Through heartfelt verses, participants shared personal, social, and spiritual reflections, celebrating the enduring power of poetry to inspire and connect.

Fast n Furious Competition

The Institute proudly hosted a Fast n Furious-themed event, uniting students through thrilling action performances, interactive experiences, and exciting contests. Packed with heart-pounding stunts and adrenaline-fueled activities, it showcased skill, passion, and teamwork, capturing the high-energy spirit of the franchise.

IES Got Talent

The Institute hosted a vibrant Talent Hunt, showcasing students' creativity and skills through music, dance, drama, poetry, comedy, and more. Filled with energy and applause, the event celebrated individuality, passion, and the confidence to perform.

Beats and Bounce - Dance Competition

The Institute hosted a vibrant dance competition, *Beats Beyond Boundaries*, celebrating cultural heritage, individuality, and the transformative power of dance. Performances explored the harmony between tradition and innovation, honoring roots while embracing new rhythms and creative possibilities. The stage became a space where movement transcended barriers, embodying the theme's call to redefine boundaries through artistic expression.

Roots and Rhythm (Tribal Culture Walk)

The Institute hosted an enchanting Ramp Walk competition themed "Roots and Rhythms", celebrating the fusion of cultural heritage and modern style. Participants expressed their identities and creativity through fashion and movement, blending tradition with contemporary trends to highlight the enduring connection between past and present.

2.7.2   Voice of IES

Institute organized its Inter Classes Vocal Music Competition "VOICE OF IES", it aimed to find the most mesmerizing and talented singers among the participants. The titles "SUR SAMRAT" and "SUR SAMRAGYI" were awarded to the standout performers, suggesting a celebration of musical excellence. With exciting performances and a melodious atmosphere, it must have been a memorable treat for everyone involved.

Winners :
Sur Samragyi :   Sameeksha Paliya
Sur Samrat   :   Pawan Jangid

2.7.3   Foundation Day - A Silver Jubilee

The IPS Academy, Institute of Engineering and Science, marked a remarkable milestone by celebrating its Silver Jubilee Foundation Day on 23rd September 2024 with grandeur and enthusiasm. Established in 1999, the institute has continually achieved excellence in academics, research, and student development, setting new benchmarks over the years.

The celebration was held in two distinct sessions—a formal event during the day and a convivial gathering in the evening. The day program focused on acknowledging the institute's achievements and contributions, honoring the exceptional accomplishments of its students and faculty members. In contrast, the evening event took on a more relaxed and joyous tone, featuring a lawn party

organized especially for the alumni of the 1999 batch. The gathering rekindled fond memories and strengthened bonds among those who have played a vital role in shaping the institute's journey.

The occasion was graced by the esteemed presence of President Ar. Achal Choudhary, IPS Academy; Principal Dr. Archana Keerti Chowdhary, IPS Academy, Institute of Engineering & Science; Dr. A. G. Kothari; all Deans, Heads of Departments, faculty members, and several distinguished alumni.

The Silver Jubilee celebration stood as a testament to the institute's enduring legacy of excellence and its continued commitment to nurturing education, innovation, and holistic growth

2.7.4   SPIC MACAY Event - An Enriching Evening of Indian Classical Music

Institute Hosts Musical Evening with Pt. Ajay Pohankar

IPS Academy, Institute of Engineering and Science, in association with SPIC MACAY, organized a captivating musical evening featuring eminent Indian classical vocalist Pt. Ajay Pohankar. His soulful performance offered students and music lovers a rare experience of the depth and elegance of Indian classical music. The event reflected IPSA's commitment to promoting cultural heritage and fostering artistic appreciation among the youth.

2.7.5   Sports

Alongside its commitment to academic excellence, the institute places strong emphasis on the all-round development of its students. In keeping with this tradition, the college organizes an annual sports event that sees active participation from every department. All the students participated in variety of games such as Chess, Yoga, Basket Ball, Cricket, Kabaddi, Football, Volley Ball, Badminton, Kho-Kho and more.
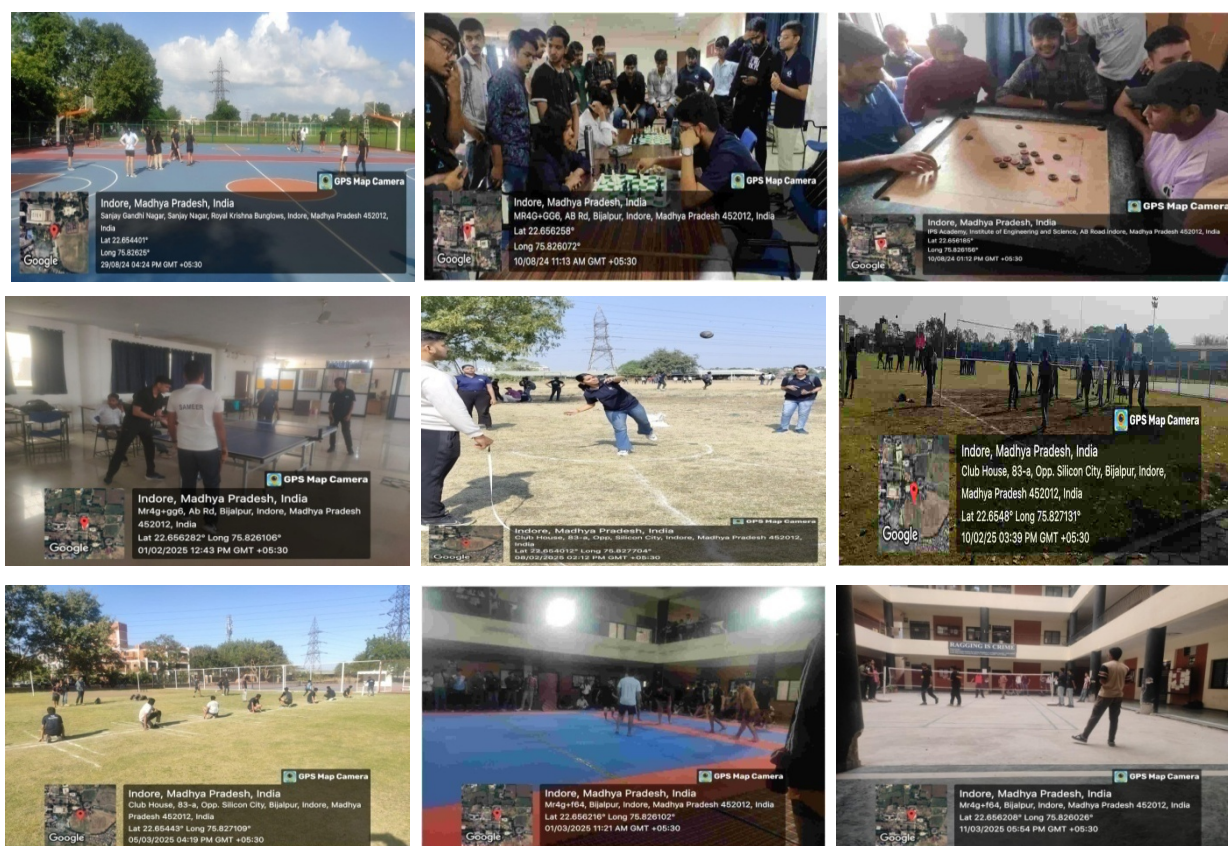

Special Achievement Award in Sports

The Following teams of Institute winners in Indore Nodal Level, RGPV

S. No.	Sports Name		Achievements/Position
1	Athletics	Boys	5 - Gold Medal
		Girls	4 - Silver Medal
			3 - Bronze Medal
2	Taekwondo	Boys	1 - Gold medal
			5 - Silver Medal
3	Karate	Boys	3 - Gold Medal
		Girls	5 - Silver Medal
4	Yoga	Boys	6 - Gold Medal
		Girls	1 - Gold Medal
5	Football	Boys	Winner
6	Cricket	Boys	Winner
7	Lawn Tennis	Boys	Runner-up
		Girls	Winner
8	Volley Ball	Boys	Runner-up
		Girls	Runner-up
9	Badminton	Boys	Runner-up
		Girls	Runner-up

National Level Participation

S. No.	Name of Participants	Branch	Year	Sports Name	Position
1	Aniket Patil	FT&SE	IV	Cricket	Participation
2	Anshika Gupta	CE	IV	Volleyball	Participation
3	Rohan Rade	FT&SE	IV	Volleyball	Participation
4	Avani Pandey	CSEAIML	III	Lawn Tennis	Participation
5	Md. Sameer	FT&SE	IV	Lawn Tennis	Participation
6	Piyush kanholkar	FT&SE	II	Judo	Participation
7	Abhijit Ijankar	FT&SE	IV	Judo	Participation
8	Snigdha Sharma	FT&SE	IV	Judo	Participation
9	Prateek Singh	CSIT	IV	Football	Participation
10	Prashant Raghuvanshi	CSIT	IV	Football	Participation
11	Abhishek Dangi	CSIT	IV	Football	Participation
12	Surbhi Sahu	AIML	III	Chess	Participation
13	Prateek Singh	CSIT	IV	Running- 200 m	Participation
14	Keshav Sharma	CE	III	Running- 400 m	Participation
15	Mahima Panwar	AIML	IV	Running- 400 m	Participation
16	Jaya Yadav	CSEDS	I	Yoga	Participation
17	Ajay	FT&SE	I	Rifle Shooting	Participation
18	Anuj Sikarwar	CSIOT	IV	Karate	Participation

2.7.6 List of commemorative days

- Womens' Day
- Teachers' Day
- Engineers' Day
- National Fire Service Day
- World Water Day
- World Health Day
- World Environment Day
- Hindi Diwas
- World Ozone Day
- World Natural Disaster Reduction Day
- World Computer Literacy Day
- Energy Conservation Day
- World Telecommunication Day

2.8   Extension Activities
2.8.1 NCC

Establishment:

National Cadet Corps (NCC) training is imparted in 9 MP Senior Division Battalion of IPS Academy, Institute of Engineering & Science to volunteer students from IPS group of Institutions who enroll as cadets. Institutional training is the mainstay of NCC training and it is conducted at Institute by Associate NCC Officers and Armed Forces personnel with "Unity and Discipline" as motto for the NCC.

The application of knowledge gained through institutional training is further honed or developed to a higher degree in NCC Camps. The National Cadet Corps (NCC) is governed by NCC Act 1948 and attendant NCC Rules. It functions under the Ministry of Defence and is headed by DGNCC. It is organized into 17 State Directorates each headed by an Additional/Deputy Director General.

Institute of Engineering & Science has been allotted a senior division of 53 cadets (36 SDA &17 SWA) under fully self finance scheme of 9 MP Battalion NCC Indore from July 2022

Objective:

The 'Aims' of the NCC laid out in 1988 have stood the test of time and continue to meet the requirements expected of it in the current socio–economic scenario of the country. The NCC aims at developing character, comradeship, discipline, a secular outlook, the spirit of adventure and ideals of selfless service amongst young citizens. Further, it aims at creating a pool of organized, trained and motivated youth with leadership qualities in all walks of life, who will serve the Nation

regardless of which career they choose. Needless to say, the NCC also provides an environment conducive to motivating young Indians to join the armed forces

Activities Organized :

Role of Youth in Nation Building :
The Institute participated in a seminar organized under the Institution's Innovation Council, in collaboration with the NCC cadets of 9 MP NCC Senior Battalion and 1 MP NCC Women Senior Battalion. The seminar was conducted by AVSM Lieutenant General V.K. Chaturvedi, who, through his distinguished career and insightful address, emphasized the pivotal role of youth in nation-building.

World Environmental Day : World Environmental Day was celebrated by NCC Cadets of 9 MP NCC Senior Battalion.

Graduation Day Ceremony : The NCC cadets of the 9 MP NCC Senior Battalion actively participated in the parade held on 6th July 2024 during the Graduation Day ceremony of the 2025 batch. Their commendable performance was highly appreciated by the faculty, students, and guests, evoking a strong sense of honor, pride, and patriotism among all present.

Tree Plantation At Revati Range : NCC cadets from the 9 MP NCC Senior Battalion participated in a tree plantation drive at Revati Range, during which they planted a total of 11 lakh trees.

Swachh Bharat Abhiyan Puneet Sagar Scheme: NCC cadets from 9 MP NCC Senior Battalion participated in Swachh Bharat Abhiyan under Puneet Sagar Scheme as instructed by NCC DG office to conduct clean drive at nearby places.

Weapon Training Program : NCC cadets of the 9 MP NCC Senior Battalion actively participated in a live firing exercise. Before proceeding, the cadets were trained in basic weapon handling, safety measures, and proper firing posture. The exercise involved the use of .22 caliber rifles and was conducted under the close supervision of trained Army personnel and NCC officers.
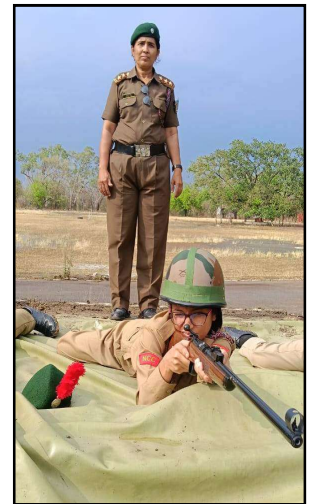

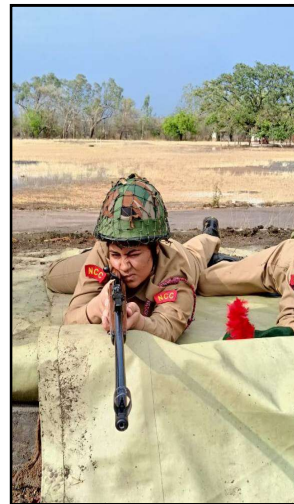

One-To-One Infar Action Program: The Institute actively participated in the publicity drive organized by the Indian Air Force through the Induction Publicity Exhibition Vehicle (IPEV) road drive. The event was conducted in collaboration with the NCC cadets from the 9 MP NCC Senior Battalion and the 1 MP NCC Women Senior Battalion.

NCC Cadet Achievements :

➢ The list of Cadets successfully completed three year training in NCC senior division B & C Certificates : Deeksha Jain, Shivendra Singh Solanki, Lakshya Trivedi, Manvi Mahajan, Kirtiman Rathore, Pushpendra Pratap Yadav, Aryan, Vaishnavi Verma, Dhruv Singh, Anuj Meena, Bhumi Bajpai, Kratika Ghadge, Dependra Ruhela, Rohan Rade

➢ Successfully Participated in Annual Training Camp ATC-63 conducted by 9 MP Battalion NCC Indore from 01/05/2025 to 10/05/2025 : Mohini Bhagat, CPL. Veena Deshmukh, Nivedika Goswami, Kajal Patel, Sahil Dongre, Yashbir Singh, Adi, Avika Sisodiya, Aman kumar, Aditya Giri Goswami, Ayush Dethliya, Gaurav KumarMishra, Keshav Patel, Kunal, Kanchan Shah, Mohit Singh Dasondhi, Prahlad Yadav, Priyanshu Sharma, Priyanshu Sharma, Saurabh Adlak, Sumit Choudhary, Uttam Modsara, Vijaypal Patel, Drashti Rajput, Bharti Tiwari, Jaya Yadav, Khwaish Joshi, Mahima Bajpai, Vanshita Chandel

- Sanjhvi Parihar : Successfully Participated in Annual Training Camp ATC-63 conducted by 9 MP Battalion NCC Indore from 01/05/2025 to 10/05/2025 & Successfully Participated in Advance Leadership Camp (ALC) from 14/05/2025 to 25/05/2025

- Vishal Dhakad : Got selected in all India Thal sainik 2024 and represented MP & CG directorate through obstacle training, and tent pitching and secured first position in Indore Group, Represented Indo group in inter group sport shooting competition 2024, Represented Indore group in intergroup competition, Raipur in obstacle, training, and tent pitching and Successfully Participated in Annual Training Camp ATC-63 conducted by 9 MP Battalion NCC Indore from 01/05/2025 to 10/05/2025

- Uddhav Gupta : Got Selected For Thal Sainik Camp 2024 To Represent 9 MP BN NCC lndore at Inter Batallion And Successfully Completed Three Catc Camps at 36 Mp Bn NCC Khandwa, Represented Indore group in Inter Group competition 2024 Raipur in Judging Distance and field signal event, Got first position in the Tent Pitching competition at Pre IGC TSC at 36 MP battalion NCC, Successfully Participated in Annual Training Camp ATC-63 conducted by 9 MP Battalion NCC Indore from 01/05/2025 to 10/05/2025 and Got selected for All India Trekking Camp Expenditure in Amarkantak and Appointed as MP&CG senior in All India Trekking Camp Expenditure Amarkantak. Excellence with anchoring in the cultural program in the National Trekking Camp got the Best Anchor award and Master of Ceremony in All India National Trekking Expenditure Amarkantak Camp in the presence of Col. Dinesh Chauhan.

- Keshav Parashar : Got Selected For Thal Sainik Camp 2024 To Represent 9 Mp Bn NccIndore At Inter Batallion. And Successfully Completed Three Catc Camps At 36 MP BN NCC Khandwa, Attended Combined Annual Training Camp Organised By 36 MP BN NCC. During This Camp Participated In Various activities, Represented Indore Group in Inter Group Compitition 2023- Raipur In JDFS Event and Got master of ceremony award in All India Amarkantak trekking expedition national camp During this camp also participate in sports like thugs of war representing MP & CG team and do all other activities

- Abhishek Sha : Kartavyapath medal and appreciation by DG NCC. Prashasti Patra by Governor of Madhya Pradesh Republic Day Camp 2025, Certificate of Appreciation by Col. M.K. Tiwari, Second position in inter group competition (DRILL), Certificate of Appreciation by Major General Vikrant M. Dhumne (ADG; MP AND CG), Inter group competition (Bhopal), Pre RDC-Camp I (Bhopal), Pre RDC-Camp II(Bhopal), Pre RDC-Camp III (Bhopal), Excellence medal by Governor of Madhya Pradesh, Excellence medal by Chief Minister of Madhya Pradesh and Successfully Participated in Annual Training Camp ATC-63 conducted by 9 MP Battalion NCC Indore from 01/05/2025 to 10/05/2025

2.8.2 NSS

Establishment

IPS Academy Institute of Engineering & Science gets The National Service Scheme (NSS) unit of Institute is established for a meaningful linkage approval of its NSS unit with 100 volunteers in year 2023-24. The main objective behind its establishment is that NSS volunteers and institute faculty members must adequately sensitized and utilized for strengthening the Indian society as a whole with particular emphasis on rural community.

Objectives:

The objectives of the National Service Scheme (NSS) are summarized below :

Understand the community in which NSS volunteer works. Understand themselves in relation to their community. Identify the needs and problems of the community and involve NSS volunteers in problem solving process. Develop a sense of social and civic responsibility among NSS volunteers. Utilize NSS volunteer's knowledge in finding practical solution to individual and community problems. Develop competence required for group living and sharing of responsibilities. Gain skills in mobilizing community participation. Acquire leadership qualities and

democratic attitude. Develop capacity to meet emergencies and natural disasters and Practice national integration and social harmony.

Activity Organized

Amrit Kalsh Yatra And Its Importance

The National Service Scheme (NSS) unit organized the "Meri Mati Mera Desh Abhiyan" followed by the Amrit Kalash Yatra. The Yatra was open to all students, faculty members, and staff of the Institute. During the event, rice and soil were collected in symbolic pots and later distributed among the underprivileged sections of society.

Drug De-Addiction Campaign By Skit Play

The National Service Scheme (NSS) unit organized a skit on "Drug De-Addiction and its adverse effects" . The skit was performed by NSS volunteers in groups.

Debate On "One Nation One Election"

The National Service Scheme (NSS) unit organized a two-day activity titled *"Debate on One Nation One Election"* to foster a deeper understanding of the concept and its potential impact on India's democratic process. The debate was open to all students of the institute, allowing participants to compete individually or in teams. The event provided a valuable platform for students to express their views, engage in critical discussion, and enhance their awareness of national policy matters.

Blood Donation Camp

The National Service Scheme (NSS) unit organized a Blood Donation Camp in association with HDFC Bank and the State-of-the-Art Model Blood Bank, M.Y. Hospital, Indore .The camp was open to all students, faculty members, and staff of the institute.

Quiz Competition on "The Constitution of India"

The National Service Scheme (NSS) unit organized a quiz competition on the "Constitution of India" to commemorate the adoption of the Constitution on November 26, 1949. The quiz encompassed a wide range of topics related to the Constitution of India, including its history, key provisions, and fundamental rights.

World Health Day

The NSS unit organized a speech activity on World Health Day, followed by a dental check-up, on April 7, 2025. The event was open to all students of the institute.

Fire Service Day Celebration

The National Service Scheme (NSS) unit organized a Basic Fire Fighting Training .
The session began with a PowerPoint presentation covering the fundamentals of fire safety, followed by practical fire safety operations**.**

World Environment Day Celebration:

The National Service Scheme (NSS) unit celebrated World Environment Day to promote awareness and encourage action for the protection of the environment. The celebration was spread over two days during the event, NSS volunteers actively participated in the following activities:

- Plantation Activity: Volunteers planted trees and saplings across the campus to enhance greenery.
- Nature Walk: A guided walk through the green areas of the campus helped participants connect with nature.
- Clean Campus Awareness: Volunteers educated students and staff about maintaining a clean and sustainable campus environment.
- Mess Visit for Kitchen Waste Recycling: Participants observed and learned about the process of recycling kitchen waste at the campus mess.
- Video Screening: An informative video highlighting pressing environmental issues was shown to the participants.

The event successfully encouraged students, faculty, and staff to actively contribute towards environmental sustainability and reinforced the importance of protecting our planet.

2.8.3 Rural Outreach Program

Objective
- To know cultural differences.
- Planning to meet present and future needs.
- Raising awareness of local health and wellness challenges.
- To network with agencies, government bodies, clients, funders and other interested parties.
- Striving to overcome service, funding, distance and behavioral barriers.
- Seeking to increase co-operation between health services, local government and other agencies.

Schedule
All the students of the institute visited the following villages under the Rural Outreach Program - Teehi, Solsinda, Shrikhandi, Kattkya, Malendi, Rangwasa

Assignment of activities for village visit
Following activities has been assigned to the various groups of students during the village visit:
- Hospitals, Health Centre, Health Problems, Child health, nutrition, vaccination
- Child labour
- Education, Social & Economical condition of people.
- Agriculture
- Awareness of Government Policies & Digitalization
- Electricity, Water and waste management and Sanitation
- Animal Husbandry, Small Industries and other Occupation
- Public Services
- Social Survey
- Economy Survey
- Background information of People and area
- Social and economical condition & Problems
- Women Hygiene

2.9   Graduation Day & Induction Program

2.9.1   Graduation Day Ceremony

IPS Academy, Institute of Engineering & Science, Indore, celebrated its Graduation Day on 27th July 2025 with great enthusiasm and solemnity. The celebrations commenced with the student procession, followed by the dignitaries being escorted into the venue to the accompaniment of the college band.

The academic procession comprised eminent personalities including Prof. Rajeev Tripathi, Vice Chancellor, RGPV, Bhopal (Madhya Pradesh); Ar. Achal K. Choudhary, President, IPS Academy; Dr. Archana Keerti Chowdhary, Principal, Institute of Engineering & Science; Dr. A.G. Kothari, Management Nominee; along with all Deans and Heads of various departments.

After the dignitaries adorned the dais, the ceremony commenced with the lighting of the ceremonial lamp, symbolizing the dispelling of darkness through knowledge. Dr. Archana Keerti Chowdhary, Principal of the Institute, extended a warm welcome to all the guests and participants.

The Chief Guest, Prof. Rajeev Tripathi, formally declared the Graduation Day open. Following this, Dr. Archana Keerti Chowdhary, Secretary of the Governing Body and Principal of the Institute, presented the Annual Report, highlighting the key achievements, milestones, and academic progress of the institution during the year.

In his Presidential Address, Ar. Achal K. Choudhary, Chairperson of the Governing Body and President of IPS Academy, congratulated the graduating students and motivated them to uphold the values and ethics imbibed during their academic journey.

The ceremony continued with the distribution of medals and special awards to the gold medalists and top achievers from various departments. The dignitaries felicitated the meritorious students with medals and certificates in recognition of their outstanding academic performance.

The event was marked by moments of pride and joy as parents expressed heartfelt gratitude towards the faculty and management for nurturing their wards into skilled professionals ready to excel in their respective careers.

The students took Pledge to oblige to dedication, honesty and integrity in discharge of their duties as engineer towards the society and country. Vote of thanks was delivered by Prof. Dr. Dinesh Sharma. The Principal declared the graduation day closed and the function ended with the national anthem, leaving behind cherished memories of accomplishment, inspiration, and new beginnings.

Gold Medalist
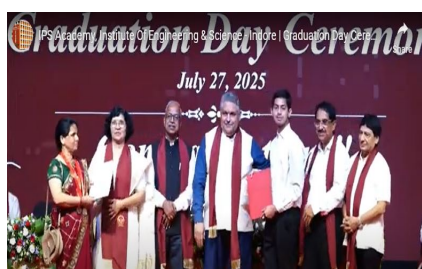

Ms. Yashu Yadav
Civil Engineering

Ms. Falguni Naik
(Dr.A.N.Patel Award)

Mr. Vikas Upadhyay
(IGS Award)

Mr. Utsav Gelda
Chemical Engineering

Mr. Mayur Sonare
Computer Sc. & Inf. Tech.

Mr. Vikas Mallah
Electronics & Comm. Engg.

Mr. Akash Kumar Mishra
Electrical & Electronics Engg.

Mr. Manas Jain
Fire Tech & Safety Engg.

Mr. Shiv Sen
Mechanical Engineering

Ms. Aarifa Qureshi
Computer Science & Engg.

Ms. Aanchal Soni
Computer Sc.& Engg. (DS)

Ms. Palak Soni
Computer Sc.& Engg. (IOT)

Mr. Prathmesh Vairale
Computer Sc.& Engg. (AIML)

Mr. Sahil Patel
AIML

2.9.2 Induction Program

In alignment with AICTE guidelines, the Institute organized a three-week Student Induction Program for first-year B. Tech. students from 9th September to 28th September 2024. The primary objective of the program was to help students transition smoothly into their new environment, enabling them to feel comfortable, establish a healthy routine, and build strong bonds within their batch as well as with faculty members.

The program aimed to enhance student's self-awareness, sensitivity to society, and understanding of nature. It also focused on addressing key challenges, stimulating academic curiosity, reducing unnecessary competition, and promoting a culture of excellence and collaboration between faculty and students.

The Induction Program was inaugurated by Chief Guest Dr. D.P. Agrawal, Guest of Honour Dr. Prachi Gharpure, along with the Principal, HODs, and faculty members. Internal speakers conducted detailed sessions about the Institute, providing students with an in-depth understanding of the campus, resources, and opportunities available. Eminent guest speakers also delivered enriching talks on various subjects, broadening students' knowledge across multiple fields.

To conclude the program on a lively note, a cultural activity was organized. The event concluded with a feedback session and closing ceremony, where students shared their valuable feedback on the sessions and the overall program.

2.10   Students Achievements / Awards

➢ Seven B.Tech III Year Civil Engineering students were selected for the PMAY-G Summer Internship 2025, organized under the Pradhan Mantri Awas Yojana – Gramin (PMAY-G), Government of Madhya Pradesh. The internship is mentored by the School of Planning and Architecture, Bhopal. Each student will receive a monthly stipend of Rs.25,000 (Rs.20,000 + Rs.5,000 allowance) for two months, along with a Certificate of Completion.

➢ Omanshi Rathore, Yashu Yadav, Prateek Mourya, and Adish Jain, Civil Engineering students from the institute, secured 3rd Prize in the Waste Management category at the SRIJAN competition, organized under the Innovate MP initiative by RGPV, Bhopal. The team was awarded a cash prize of Rs.10,000, reflecting their dedication to sustainable and innovative solutions.

➢ Institute was selected for the IKS Internship Program 2025. Under this program, participating Civil Engineering interns receive a monthly stipend of up to Rs.10,000, while the institute is provided Rs.5,000 per intern per month to facilitate and manage the internship process.

➢ Ginni Jain, a Computer Science Engineering student, secured an internship offer from Amazon as a Software Development Engineer Intern. She will receive a monthly stipend of Rs.1,10,000 marking a significant achievement and reflecting the institute's strong academic foundation and industry readiness.

➢ Abhishek Sha brought great pride to the institute through his outstanding performance at the Republic Day Camp 2025. He was honored with the prestigious Kartavyapath Medal and received a Prashasti Patra from the Hon'ble Governor of Madhya Pradesh. In recognition of his excellence and dedication, he was also awarded Excellence Medals by both the Hon'ble Governor and the Hon'ble Chief Minister of Madhya Pradesh, reflecting his exceptional achievements and leadership as an NCC cadet.

➢ Keshav Parashar was honored with the Master of Ceremony award at the All India Amarkantak Trekking Expedition National Camp. During the camp, he also actively participated in various sports events, notably representing the Madhya Pradesh & Chhattisgarh team in Tug of War, showcasing his versatility, leadership, and team spirit at the national level.

➢ Vishal Dhakad was selected by the NCC Directorate of Madhya Pradesh and Chhattisgarh to participate in the Army Camp held in Delhi from September 2-13, 2024.

➤ Smart India Hackathon - Eight teams participated & one team won the first prize with a cash reward of Rs 1 lac each at Noida.

➤ Participated in BAJA teams as follows:

- The BAJA team of the institute showcased an outstanding performance at the Autonomous BAJA 2024 competition, earning multiple top honors including AIR 1 Overall Winner Award (Rs.75,000), AIR 1 in Physical Dynamic (Rs.35,000), and AIR 1 in Remote Drive System (Rs.25,000). The team's mentor was honored with the prestigious Dronacharya Award (Trophy and Samsung Tab) for Best Faculty Advisor. Additionally, the team secured AIR 2 in both Business Presentation and Design Presentation categories.

- At ATVC (Aravalli Terrain Vehicle Championship) 2025 the BAJA team clinched AIR 1 in Acceleration (Rs.10,000), Suspension & Traction (Rs.15,000), Endurance Race (Rs.20,000), and the Overall Winner Award (Rs.40,000), along with AIR 2 in Maneuverability (Rs.10,000) and Business Presentation (Rs.7,000), were accumulating total prize money of Rs.1, 02,000.

- The team further demonstrated their engineering prowess by securing the position of 1st Runner-Up at the VECV (Volvo Eicher Commercial Vehicle) NextGen Technology Expo, Pithampur, Indore.

➤ **TEDx IPSA Indore – Theme: "CONSTELLATION"**
Organized under the globally recognized TEDx banner *on March 08, 2025*, this event brought together visionary speakers and thought leaders to share inspiring ideas around the theme *"CONSTELLATION"*, symbolizing connection, innovation, and the power of collective impact.

2.11 Evaluation Process & Reforms

1 There shall be an assessment evaluation of all the students attending a course, like a lecture course, Laboratory/Tutorial/Design/Drawing/Studio course or a combination of the above (known as integrated course). This evaluation shall be done in two parts, as follows, both of them being important in assessing the students' performance and achievement in the particular course:

1.1 Continuous In-semester Evaluation (CIE): normally conducted by the course Instructor throughout the semester. This shall include mid-term tests: Test 1/Test 2, surprise tests, home assignments, flip class discussions, problem solving, group discussions, quiz, seminar, mini-project and other means. The course Instructor shall declare the detailed examination/ evaluation scheme for conducting the various segments of CIE and their weightage at the beginning of the semester.

1.2 End Semester Examination (ESE): This shall include a written examination for theory courses and practical/design/drawing examination with built-in oral part for laboratory/ design/ drawing courses.

2 The institute shall maintain a high standard in both CIE and ESE and ensure the declaration of final results of the courses attended by a student in a semester before the end of the semester as per the Academic Calendar.

3 CIE and ESE shall have 40:60 weightage in theory & practical subjects respectively. The award of grade & performance of a student in a course shall be judged by taking into account the results of CIE and ESE together. There will be a separate passing head for theory and practical.

4 The conduction of CIE for a course shall be the responsibility of the Course Instructor and the Department concerned, ESE shall be organized centrally by the Examination Cell of the Institute. The records of both CIE and ESE shall be maintained by the Examination Cell.

2.12 Alumni Association

There is a registered Alumni Association (Reg.No.-03/27/01/23952/21) that contributes significantly to the development of the institution through financial and/or other support services.

The Institute established Alumni association in the academic year 2013-14.

The main objectives of association are

1. To promote and foster mutually beneficial interaction between Alumni and the Institute.
2. To encourage the Alumni to take abiding interest in the process and development of Institute.
3. To arrange and support in placement activities for the students of Institute.
4. To encourage the students of the Institute and members of the Association for research & development work in various fields like engineering, computer Industrialization etc.
5. To mentor the students of the Institute for higher education and development of character.
6. To encourage and guide the students of the Institute on self-employment to become entrepreneurs.
7. To guide students of the Institute on various professional avenues available and support them through various activities such as expert advice, seminars, visit etc.
8. Promote the Industry-Institute interaction to bridge the gap between industry requirements and education offered and enhance students' employability.
9. To help and assist other regional bodies for training programs in entrepreneurship development, with resources available with association.
10. To encourage and support students of the Institute in sports, cultural and extra-curricular activities.
11. To promote computer and internet literacy among the society.
12. To provide medical support to existing and retired teaching and non-teaching staff.
13. To help and guide students and ex-students of the Institute for anti-drug, anti-ragging, and any other anti-social activities.

Sighting the above objectives of Alumni Association our alumni contributes in many ways for the development and betterment of our Institute. Our students and Institute are benefited in various fields such as student placement, training, expert lectures, career guidance sessions, Industrial visits and mentoring. The alumni of Institute is guiding and nurturing our students to become engineering professionals. It is our plan to develop everlasting relations with our alumni which in turn will give rise to mutual benefits.

2.13 Student Chapters & Memberships

The various students' chapter are successfully functioning in the different departments of Institute –

- IEEE – Institution of Electrical & Electronic Engineer
- IETE – The Institution of Electronics & Telecommunication Engineer
- IIChE – Indian Institute of Chemical Engineer
- ICI – Indian Concrete Institute
- CSI - Computer Society of India
- SAEINDIA – Society of Automotive Engineers India
- FASI – Fire & Security Association of India

3 Faculty

3.1 Publications

- Paper Published in International & National Journals   41
- Paper Presented in National Seminar / Conference   14
- Paper Presented in International Seminar / Conference   44

3.3 STTPs/ FDPs participated/ organized

Participated / Attended	No of Programme	No of Faculties
• Seminar & Workshop attended	18	25
• SDP/FDP attended	76	149

Organized		
• Faculty Development Program	12	
• National Seminar & Workshops	34	

3.4 Financial support/ incentives

Branch / Faculty	Funding from	Amount in Rs
CE	Faculty Development Program On "Risk to Resilience: Innovative Resilient Strategies for Mitigating Climate Change"	100000
FT	International Conference [IC-Hefsd 2024] "Humanitarian Engineering Practices In Fire, Industrial Safety & Disaster Management "	100000
S&H	International Conference On "Emerging Practices in Contemporary Language and Literature" [EPCLL]	40000

3.5 Faculty Appraisal System (360^0 feedback) & ACR for Non-teaching staff

Annual Staff Performance: Appraisal Systems have been introduced.
The system consists of

 ➢ Self Appraisal
 ➢ Appraisal by Head of Department
 ➢ Appraisal by Principal & Management

Weightage given to the Appraisals

In case of Faculty
 ➢ Appraisal by Students
 ➢ Appraisal by Head of Department

➤ Appraisal by Principal & Management

In case of Supporting staff
➤ Appraisal by Head of department
➤ Appraisal by Principal

3.6 Achievements / Awards

- Rahul Sharma was honored with the prestigious Dronacharya Award (Trophy and Samsung Tab) for Best Faculty Advisor.

4. Infrastructure & Learning Resources

4.1 Existing Infrastructure and Physical Facilities

(Class rooms/ Laboratories/ Sports/Games, etc. Details to be appended as annexure)

Sr. No.	Details	No. of
1	Classroom	72
2	Tutorial Room	15
3	Laboratory	127
4	Research Laboratory	1
5	Workshop	1
6	Additional Workshop	1
7	Seminar Hall	6
8	Drawing Hall	3
9	Auditorium	4

Sports / Game Facilities

S. No.	Name	Post	Qualification	Exp.
1	Dr. Satish Raghuvanshi	Prof. Incharge	PhD	14Yrs
2	Mr. Yagnesh Pathak	Sports officer	B.P.E., M.P.E. [PHY. Education]	20Yrs
3	Ms. Pooja Pathak	Asst. Sports officer	B.P.E.,M.P.E. [PHY. Education]	12Yrs
4	Mr. Shahid Khan	Coach (Shooting)	B.A.	10Yrs
5	Mr. Mahendra Yadav	Coach (Basketball)	B.A., M.A.	22Yrs
6	Mr. Sachin Rathore	Coach (Horse Riding)	B.Com, LLB	22Yrs
7	Mr. Vickram Verma	Coach (Swimming)	B.com	08Yrs

OUTDOOR GAMES

S. No.	Name of Sports	Specification	Facility
1	Football	110 m x 90 m	1 Ground
2	Basketball	28 m x 15 m	3 Grounds
3	Volleyball	18 m x 9 m	1 Ground
4	Cricket Field	60m (four sides)	1 Ground
5	Hockey	100 yards x 60 yards	1 Ground
6	Handball	40 m x 20 m	1 Ground
7	Kabaddi	12.5 m x 10m	1 Ground
8	Kho-Kho	29 m x 16m	1 Ground
9	Horse Riding	100 mts Arena	1 Ground
10	Athletics Track	400 meters	1 Track

INDOOR GAMES

S. No.	Name of Sports	Specification	Facility
1	Badminton	44feet x 17feet	1 Court
2	Lawn Tennis	78feet x 36 feet	2 Courts

3	Table Tennis Hall	04 tables	One Hall
4	Judo Room	20 m x 10 m	One Hall
5	Taekwondo	20 m x 10 m	One Hall
6	Swimming Pool	25 Meters	One Pool
7	Rifle Shooting	Range 10 meters	One Range

4.2 Infrastructure augmentation

Year	Budget allocated for infrastructure augmentation	Expenditure for infrastructure augmentation
2024-25	13500000	12165791
2023-24	30000000	29247341
2022-23	3000000	2849542
2021-22	4000000	3722103
2020-21	3000000	2951747
2019-20	2200000	2154607

4.3 Learning Resources: Library

Introduction

The library is a spring to quench the desire of acquaintance for teachers and students. Being the spine of the institute, it provides facilities for learning, teaching, research and consultancy projects.

A committed separate block is available for a well-equipped and updated library with more than 85 thousand books (including e-books) and several journals and periodicals on latest subjects. Every day, new books are pouring into the library. In addition to this, the library has a steady flow of newspapers, magazines, and journals on subjects related to Civil, Mechanical, Electronics & Communication, Computer Science, Electrical & Electronics, Chemical and Fire-Tech & Safety discipline and also with good collection of digital audio/video, rare books and ethical books on related engineering branches. The library provides spacious sitting arrangement for students and faculties. IPS Academy, Institute of Engineering & Science library is fully computerized with internet connectivity so that the readers have access to several thousands of e-Books & journals. The library is also providing the leading e- journals Elsevier, IEEE, IETE J-Gate, ASME, ASTM, ASCE and many more on Intranet.

At present the Library Information Center uses in-house developed Library Management Software (SOUL 2.0).

Circulation Section – Issue / Return

Information Retrieval Services

- This includes searching of data and retrieval of data using various search options like title, author, subject, publisher etc.
- Recently bar coding of library holdings has been taken up and successfully completed for 75% of books.

Web OPAC facility is available in Library Website http://opac.ipsacademy.net:81/

Library Resources

The library has wide range of Engineering, Technology and Science resources. It includes-

- Number of Books   : 42399
- Number of e-Books   : 72147
- Number of Print Journals (Indian/International/ Periodical)   : 04
- Local News Papers in English and Hindi   : 12
- Magazines   : 09
- CD/DVDs   : 2673
- NPTEL courses   : 1068
- Ethical Books   : 617
- e-journals   : 59193

4.4   IT infrastructure, including computing facilities.

Licensed Software : 54
Computer & Laptop : 2420
Printer : 46
UPS : 64
Wifi router : 14
CCTV Surveillance : 199
Projectors : 99
Internet Facility : 1GBPS
Intranet facility
ERP
Leave Management System
Academic Management System
For COs/POs/PSOs Assessment
Faculty Academic Performance Index
Faculty Computer Ratio 1:1
Student Computer Ratio 2:1
Institution frequently updates its IT facilities, such as PC configurations etc.

5. Governance, Leadership & Management

5.1   Governing Body : Constitution

1. Ar. Achal K Choudhary, President, IPS Academy   Chairperson
2. Er. Rajesh Choudhary, IPS Academy   Member
3. Prof B B Ahuja Ex Prof COEP, Pune   Special Invitee
4. Prof. Anu G Aggrawal, Prof, Delhi University   Member
5. Prof. Mohan Sen, Joint Director, DTE, MP, Bhopal   Member
    (State Govt Nominee)
6. Prof. Ravi Nagiach, Professor, UEC Ujjain, MP   Member

(University Nominee)

7.	Prof A G Kothari, Dean Academics, IPS Academy Institute of Engg & Science	Member
8.	Prof. Amit Sharma Prof & Head Civil Engg IPS Academy, Institute of Engg & Science	Member
9.	Prof. Praveen Patel Prof & Head FT&SE IPS Academy, Institute of Engg & Science	Member
10.	Prof. Archana Keerti Chowdhary Principal IPS Academy, Institute of Engg & Science	Member Secretary

5.2 Academic Council : Constitution

1	Dr. Archana Keerti Chowdhary, Principal	Chairperson
2	Dr. B.B. Ahuja, Director College of Engineering Pune	Expert
3	Dr. Arvind Neema, Prof. IIT New Delhi	Expert
4	Dr. L.M. Gupta, Prof. VNIT, Nagpur	Expert
5	Dr. Prachi Gharpure, Director NMIMS, Indore	Expert
6	Dr. R.P. Tiwari, Prof. REC Rewa	University Nominee
7	Dr Ashmita Moghe, Asso. Prof. UIT, RGPV Bhopal	University Nominee
8	Dr. Archana Tiwari, Prof. UIT, RGPV Bhopal	University Nominee
9	Dr. A.G. Kothari, Prof. & Dean Academics	Teacher Rep.
10	Dr. Keerti K. Chowdhary, Prof. & Dean Students Welfare	Teacher Rep.
11	Dr. Dharmendra S. Yadav, Asso. Prof.	Teacher Rep.
12	Dr. J. Ponmozhi, Asso. Prof.	Teacher Rep.
13	Dr. Rajesh Kumar Kaushal, Prof. & Dean Administration	Member Sec.

5.3 Statutory & other Regulatory Committees and Cells :

S. No.	Title of Committee
1	Institute Development Committee
2	Extension Activity Committee (NCC / NSS)
3	Cultural Committee
4	Academics Committee
5	Sports Committee
6	Disc. & Anti Ragging Committee
7	Internal Complaint Committee
8	Library Committee
9	Alumni Committee
10	Safety Committee
11	Purchase Committee / Finance Committee
12	Maintenance Committee & Utilization of Resources
13	College Magazine / News Letter Committee
14	Scholarship Committee
15	Discriminating Complaint Committee
16	SC/ST Committee

S. No.	Title of Cell
1	IQAC Cell
2	Technical Skill Development Cell
3	Innovation & Entrepreneurship Development Cell

4	Research & Development and IPR Cell
5	International Affairs & Outreach Cell
6	Training & Placement Cell
7	Grievance Cell
8	Wellness Cell
9	Admission Cell
10	Industry Institute Interaction Cell (IIIC)
11	Institution's Innovation Cell

5.4 IQAC cell

The composition of the IQAC is as follows:

1.	Dr. Archana Keerti Chowdhary, Principal	Chairperson
2.	Dr. A.G. Kothari, Dean Academics and Management Nominee	Coordinator
3.	Mr. Nitesh Parmar, Asst. Prof, Chemical Engineering Department	Co-coordinator
4.	Dr. Neeraj Shrivastav, Prof. & Head, Computer Science Engg.	Member
5.	Prof. Ashwini Joshi, Prof. & Head, Mechanical Engg.	Member
6.	Dr. Praveen Patel, Prof. & Head, Fire Technology & Safety Engg.	Member
7.	Dr. Rajesh Kaushal, Dean Admin & Head, Chemical Engg.	Member
8.	Dr. Amit Sharma, Dean R&D and Head, Civil Engg.	Member
9.	Prof. Rupesh Dubey, Asso. Prof. & Head, Electronics & Comm. Engg.	Member
10.	Dr. Manish Sahajwani, Asso. Prof. & Head Electrical & Electronics Engg.	Member
11.	Dr. Nisha Agrawal, Asst.Prof & Head, Mathematics	Member
12.	Dr. Rekha Dhoot, Asso. Prof. & Head, Humanities Department	Member
13.	Dr. J. Ponmozhi, Asso. Prof. Mechanical Engg.	Member
14.	Ms. Kshipra Shukla, Administrative Officer & Registrar	Member
15.	Ms. Rachiyata Awasthi, Chief Municipal Officer, Sagar	Member
16.	Ms. Shubhi Choudhary, Project Manager, Yash Technology, Indore	Member
17.	Mr. Mustafa Murabi, CEO, Canopus Infosystems	Member
18.	Mr. Siddharth Chatter, CEO, Nakoda Industries	Member

5.5 External Peer team for external audit

External Audit: Institution has appointed an external auditor for further audit of the accounts, voucher and other documents. Associated external auditor is Chartered accountant Mr. Basant Jain & Company FRN NO 0051286 and membership no- 073966.

5.6 e- Governance

5.6.1 The college's apex decision-making body (GC) has agreed to incorporate all of the instructions' different activities in order to provide continuity and consistency in the various functionalities of the instructions relating to teaching and learning (Academic), management, exams, finance and accounting, admissions, etc.

Identified the need of introducing college automation system to reduce significant time in maintaining records of the faculties and students both and introduce transparency in the system. Considering the challenges, regarding the attendance of the faculties and students, the measurement of the attainment of academic performance and their assessment, it was decided to develop a college automation system. Conducted online survey elaborating the urgency of developing and implementing the project, organize the meeting with senior faculty members, head of the departments, representatives of faculties, advisory board members and representatives of students to discuss the impact of project. The recommendations were proposed in governing body meeting and the principal convinced the importance of the project which was highly appreciated by the board members and finally the project was approved. Identified the IT professionals (faculties and students of the institute) and make a team to give desired shape to the project. The deadlines and guidelines framed conveyed to the team members. Also, the proposal submitted to various government agencies for financial support for the project.

To incorporate streamlined, user-friendly CMS solutions to simplify different modules of the teaching and learning (Academic), administrations, exams, finance and accounting, admissions, as well as to offer appropriate instruction to all employees for successful use.

Aim
The aim of the College automation system was to introduce an intelligent, efficient and transparent college automation system which reduces the valuable time of all concern i.e., management, faculties, staff and students in routine working.

Scope
Reduce significant valuable time; piles of papers etc. while documenting the data. College automation system will create transparency among all stakeholders and ultimately improving their efficiency. The college automation will play an important role in creating cooperating environment and strengthening up relations between all the stakeholders.

Objectives
The major objectives of the proposed college automation system are as follows:

- To increase the efficiency of the faculties by reducing time in maintaining the records of attendance, assessment of the academic performance of the students etc.

- To help the faculties in their self-appraisal, 360^0 feedback etc. based on their research contribution, contribution in the development of the department, institute and the society, academic performance of their students.

- To help the management, principal, head of the departments to decide corrective actions based on 360^0 score and the self-appraisals of faculties.

- To help the faculty/staff in maintaining the record of their leave through Leave Management System (LMS)

- To maintain the record of OBES (Outcome Based Education System):

- ➢ Defining course objective, course outcomes (COs), program outcomes (POs) and program specific outcomes (PSOs) and setting up target levels.

- ➢ Measuring the attainment of course outcomes (COs), program outcomes (POs) and program specific outcomes (PSOs). The direct assessment of course outcomes (COs) are based on results of quizzes, mid semester tests, assignments etc. The indirect assessment based on Online Feedback on course outcomes (COs) at the end of each semester, Online Feedback on program outcomes (POs) at the end of course, Alumni Survey, Course exit survey, employer's survey etc.

- To provide a platform for the students to check their academic performance regularly viz., their grades in mid semester tests, assignments, quiz, performance in practical's in laboratories /workshops etc.

- To develop the confidence of students in overall academic evaluation system.

- To provide online training to the students for placement activities.

- To provide opportunity to the students to participate in development of institute by submitting feedback on facilities, course delivery and learning outcomes.

- To avoid hassles of maintaining piles of paper work.

- To increase the response time manifold and reduce the lead time.

- To optimize the expenditures, time and energy spent on documenting the data.

- To provide the opportunity for the faculties to submit the information regarding academic performance of students in more structured form.

5.6.2 The institute has implemented e-Governance in the following areas :

1. Administration
2. Finance and Accounts
3. Admission and supports
4. Examination

The institute has developed a software for measuring attainment of COs/POs/PSOs.

5.7 Quality Initiatives

We are committed to impart Quality Education and Training in the field of basic Education, Engineering and Technology, Management and other professional courses. It aims to be the world-class academy through continual improvements. It also caters to the industry & service sector needs by providing innovation through FDP's, Projects & Consultancy and Teaching packages. The academy support faculty & staff to work as a cohesive team and update their skill and knowledge to match the need of global market.

5.8 Green Initiatives

- Sewage Treatment Plant
- Waste Polythene Recycling Plant (Agglomeration)
- Energy Efficient Building using LED
- Solar Panel (64 KV)
- Paper Recycling Plant (in process)

6. Annexure

Annual Reports of Department

A - Civil Engineering
B - Chemical Engineering
C - Computer Science & Engineering

D - Electronics and Communication Engineering
E - Electrical and Electronics Engineering
F - Fire Tech & Safety Engineering
G - Mechanical Engineering
H- General Engineering

7. Minutes of meeting of

1. Academic Council
2. Governing Body
3. IQAC

Annual Report

E	Seminar & Workshop Attended	02
F	SDP/FDP Attended	10

(A) Special Awards- Mrs. Sonam Yadav received an award at the Srijan Competition, organized under the Innovate MP initiative by RGPV Bhopal. The team was felicitated by the Hon'ble Minister for Technical Education, Madhya Pradesh, Shri Inder Singh Parmar Ji.

Research Excellence Award

S. No	Department	Name of Faculty	Details of Award
1	Civil Engineering	Dr. Archana Keerti Chowdhary	Certificate of Excellence presented for the exemplary contribution as a Session Chairperson in the 10th Indian Young Geotechnical Engineers' Conference (10 IYGEC 2025) held on 11–12 March, 2025 at IIT Indore, India.
2	Civil Engineering	Dr. Amit Sharma	Certificate of Excellence presented for the outstanding contribution in Peer Reviewing at the Indian Geotechnical Journal' on May, 2025.(ESCI)
3	Civil Engineering	Dr. Amit Sharma	Certificate of Excellence presented for the exemplary contribution as a Session Chairperson in the 10th Indian Young Geotechnical Engineers' Conference (10 IYGEC 2025) held on 11–12 March, 2025 at IIT Indore, India.
4	Civil Engineering	Dr. Amit Sharma	Certificate of Excellence presented for the outstanding contribution in Peer Reviewing at the 10th Indian Young Geotechnical Engineers' Conference (10IYGEC 2025)held on 11–12 March, 2025 at IIT Indore, India
5	Civil Engineering	Mr.Lalitesh Sinha	Certificate of Excellence in Peer Reviewing in the International Conference on Sustainable Computing & Intelligent Systems held on (21-22 March,2025) at Poornima University, Jaipur, Rajasthan, India.

6	Civil Engineering	Mr.Lalitesh Sinha	Peer Reviewing in Journal of manuscript (WARM-D-24-02068) of "Water Resources Management" on topic Optimizing from the Ground-Up: Spatio-temporal Leakage Modelling for Optimal Pressure Management in Water Distribution Systems, 15 Nov 2024. .(SCI)
7	Civil Engineering	Mr.Lalitesh Sinha	Peer Reviewing in Journal of manuscript National Academy Science Letters (SCLE-D-25-00247), on topic Performance of Stone Column Configurations in Floating Conditions Under Vertical Loading, 20 March 2025.(SCIE)
8	Civil Engineering	Dr. Mohd Nasim	Certificate of Excellence presented for the outstanding contribution in Peer Reviewing at the 10th Indian Young Geotechnical Engineers' Conference (10IYGEC 2025)held on 11–12 March, 2025 at IIT Indore, India
9	Civil Engineering	Dr. Mohd Nasim	Certificate of Excellence presented for the exemplary contribution as a Session Chairperson in the 10th Indian Young Geotechnical Engineers' Conference (10IYGEC 2025) held on 11–12 March, 2025 at IIT Indore, India.
10	Civil Engineering	Dr. Mohd Nasim	Certificate of Excellence as Advisory Board Member in Journal of Research on Engineering Structure and Material.(Scopus)
11	Civil Engineering	Dr. Mohd Nasim	Peer Reviewing in Journal of manuscript PLOS ONE (PONE-D-25-20998), on topic Research on preparation Technology and Performance Characterization of Thermally Sprayed Ceramic Coatings on Concrete Surfaces, 21 May 2025. (SCI)
12	Civil Engineering	Dr. Mohd Nasim	Peer Reviewing in Journal of manuscript Research on Engineering Structure and Material.(6140), on topic Optimizing the lightweight Steel fibre Reinforced Bacterial concrete with Nano-silica and Coconut Shell using Taguchi Method, 12 May 2025. (Scopus)
13	Civil Engineering	Dr. Devaanshi Jagwani	Peer Reviewing of Journal manuscript in National Academy Science Letters SCLE-D-25-00214,"Eco-friendly synthesis of silver nanoparticles using Panicummiliaceum husks and evaluation of its physiochemical properties", 26 March 2025. (SCIE)
14	Civil Engineering	Dr. Devaanshi Jagwani	Peer Reviewing of Journal manuscript in Environmental Science and Pollution Research: ESPR-D-25-01078; "Meteorological, ozone, maternal and individual-level risk factors for childhood diseases in Singapore: A prospective birth cohort study from 2009 to 2019" 01 March 2025.(SCIE)

S. No.	Department	Name	Topic / Title of the Paper	Year of publish (with month)
15	Civil Engineering	Dr. Devaanshi Jagwani	Peer Reviewing of Journal manuscript in Biomass Conversion and Biorefinery, BCAB-D-24-04999 "Green synthesis of Nickel ferrite nanoparticles using Erythrina variegata for photocatalytic degradation of malachite green dye under visible light irradiation" 27 Jan 2025.(SCIE)	
16	Civil Engineering	Dr. Devaanshi Jagwani	Certificate of Excellence in Reviewing awarded by Asian Journal of Biochemistry, Genetics and Molecular Biology, 20 June 2024	
17	Civil Engineering	Dr. Mohd. Nasim	Certificate of Excellence presented for the exemplary contribution as a Session Chairperson in the 10th Indian Young Geotechnical Engineers' Conference (10 IYGEC 2025) held on 11–12 March, 2025 at IIT Indore, India.

January 16th, 2025

"Minutes of the 21st AdvisoryBoard Meeting"

Sub: Minutes of the 21st AdvisoryBoard meeting in Civil Engineering Department held on

15[th]January 2025

The following Hon'ble members attended the meeting:

S.No	Name	S.No	Name
01	Dr. Rakesh K. Khare, Professor, SGSITS, Indore	15	Mr.Diwakar Singh
02	Dr.Archana K. Chowdhary	16	Dr. Mohd. Nasim
03	Dr.Keerti K. Chowdhary	17	Dr.Veena Baunthiyal
04	Dr.Amit Sharma	18	Dr. Devaanshi Jagwani
05	Mr.Vijay Baradiya	19	Ms.Richa Jain
06	Dr.Ashish Nim	20	Mr. Praveen Dewara
07	Mr.Sunil Harne	21	Ms.NityaSanghvi
08	Ms.Pallavi Gupta	22	Mr. R. B. Chaturvedi
09	Mr.Harshit Jain	23	Ms. Tanushree Sinha
10	Ms.Sonam Yadav	24	Yashu Yadav, IV Year
11	Ms.Aditi Patidar	25	Omanshi Rathore, IV Year
12	Mr.Harish Kumar Dwivedi	26	Krishna Gangrade, IV Year
13	Mr. Lalitesh Sinha	27	Atul Jaitpuri, M.Tech. Structures
14	Mr. Neeraj Mishra	28	Kumari Harshsiddhi Singh, M.Tech. CPM

The Agenda for the meeting and the subsequent queries/discussions/clarifications raised by external members and modifications incorporated/explanation to the queries/actions taken by the Chairperson after due deliberations are as follows:

1. **To confirm the Minutes of the 20thAdvisory Board meeting held on October28th, 2023.**

    The Chairperson welcomed all Hon'ble Advisory Board members and confirmed the draft minutes of the 20th**Advisory Board Meeting**.

2. **To discuss about the Department Vision, Mission, Goals and Admissions.**

    Following suggestions were given by Dr. Khare

    i.   Department vision needs to be revised to be in line with Institute vision.
    ii. As UG admissions are 50%, this needs improvement.
    iii. For increasing PG admissions; employers may be approached for encouraging their employees to take admission for PG courses.

3. **To discuss the Curriculum of UG and PG Course.**

    The Chairperson briefed about the Curriculum Aspects, Dr. Khare gave the following suggestions

    i.   Honors course should have 18-20 credits. At present there are 15 credits only.
    ii. Percentage of new courses introduced should be 20%.
    iii. For cross-cutting issues, the introduction of subjects related to Gender Equity in PG curriculum was suggested.
    iv. Assigning all UG & PG students to complete minimum one online course of NPTEL/ SWAYAM/ MOOCs etc, every year.
    v.   Making relevant schedule available in the institute/department website for course registration when the courses are announced.
    vi. In the faculty course files, COs should be designed as per BT levels.

4. To discuss about the Teaching-Learning and Evaluation.

Following suggestions were given by Dr. Khare to enhance the Teaching-Learning Evaluation:

i. Improvement is however needed in number of admissions in UG (CE) and PG (STR).

ii. Need for Improvement in number of admissions in all categories.

iii. RA can only be appointed under a funded research project. Although currently there is no ongoing funded research project in the department.

iv. PG students should be encouraged to publish research paper in UGC-CARE/ SCI journals.

5. To discuss about ways of Enhancement of Research in the Department.

Suggestion:

i. Faculty should be motivated to apply for seed funding for research.

ii. Faculties should utilise the received fellowships to gain academic advantage from it.

iii. Faculties should send more research proposals to government agencies for grants.

iv. Remaining 4 PhD faculties should try to register in the coming session.

v. Needs improvement in quality research and faculty publication.

vi. Should try for NABL certification.

vii. Involve more industry personnel in direct co-teaching.

6. To discuss about the Infrastructure and Learning Resources.

Suggestion:

i. Department Library can also be developed as student self-learning centre.

7. To discuss about the Student Support and Progression.

Following suggestions were given by Dr. Khare to enhance Student Support and Progression:

i. More initiatives are required for promoting the start-up.

ii. Students shall be encouraged to participate at national/international level tech-fests/competitions at IITs, NITs etc.

iii. Alumni who are entrepreneurs or are associated with industry may be approached for recruitment drives for more placement.

iv. Alumni Meet should also be arranged at department level for every batch at least once every year.

v. Entrepreneur alumni should be approached often to provide training/ internship and offer employment opportunities to current batches.

The meeting ended with a vote of thanks.

PHOTOGRAPHS OF EVENTS

ATAL Faculty Development Program (FDP) "Risk to Resilience: Innovative Resilient Strategies for Mitigating Climate Change" (16/12/2025 to 21/12/2025)

SRUJAN-2024 National Seminar-"Innovative solution for smooth traffic flow in metropolis" (14/10/2024 to 18/10/2024)

NEEV 2025- "Sustainable Water Management and Planning" (24/03/2025   29/03/2025)

SAKRIYA 2025 "Software Training" (21/01/2025 to 25/01/2025)

Visit to RRCAT, Indore (9/10/2024)

Skill Development Training Program on "Geotechnical Investigation & Highway Material Testing" (7/10/2024 to 8/10/2024)

Annual Quiz Competition SAMEEKSHA 2024 (14/10/2024 to 16/10/2024)

Workshop on Foundation Engineering (10/02/2025 to 15/02/2025)

Workshop on Concrete Mix Design (20/08/2024 to 24/08/2024)

Award at the Srijan Competition, organized under the Innovate MP initiative by RGPV Bhopal. The team was felicitated by the Hon'ble Minister for Technical Education, Madhya Pradesh, Shri Inder Singh Parmar Ji.

इंटर्नशिप कार्यक्रम के लिए आईपीएस एकेडमी का चयन

कार्यक्रम शिक्षा मंत्रालय द्वारा संचालित होगा

सिटी रिपोर्टर | इंदौर

भारत में विज्ञान, प्रौद्योगिकी, अभियांत्रिकी और गणित संस्थानों तथा पारंपरिक विद्यालयों में भारतीय ज्ञान प्रणाली को बढ़ावा देने की दिशा में इंडियन नॉलेज सिस्टम्स डिविजन ने एक राष्ट्रव्यापी पहल शुरू की है। शिक्षा मंत्रालय के अंतर्गत हो रहे इस कार्यक्रम का उद्देश्य युवाओं को भारतीय भाषाओं में विभिन्न विषयों की खोज और शोध करने के लिए प्रेरित करना है। इस पहल के तहत, IKS इंटर्नशिप कार्यक्रम 2025 के लिए आवेदन आमंत्रित किए गए थे। इसमें देशभर के 79 संस्थानों का चयन किया गया, जिनमें से एक आईपीएस अकादमी, इंस्टिट्यूट ऑफ इंजीनियरिंग एंड साइंस है। प्रमुख अन्वेषक प्रिंसिपल डॉ. अर्चना कीर्ति चौधरी ने सह-प्रमुख अन्वेषक ललितेश सिन्हा और डॉ. देवांशी जगवानी के सहयोग से 'इंटीग्रेटिंग ट्रेडिशनल वाटर विज्डॅम इंटू सस्टेनेबल वाटर मैनेजमेंट' विषय पर परियोजना प्रस्तुत की। अध्यक्ष, आर्किटेक्ट अचल चौधरी ने कहा, हमारे कॉलेज के लिए यह गौरव का क्षण है।

8. **Minutes of Advisory Board Meeting**

MINUTES OF MEETING

Advisory board meeting was held on 20/01/2025 in offline mode.

Following members were attended the meeting.

1. Dr. Rajesh Kumar Kaushal, Head	7. Dr. Kanti Kumar Athankar
2. Dr. Kailas L. Wasewar, VNIT Nagpur	8. Dr. Deepak Sharma
3. Mr. Ankit Soni,	9. Dr. Shamal Sen
4. Mr. Ankit Parashar, Alumnus	10. Mr. YadunandanDeshmukh
5. Dr. Abhinesh Kumar Prajapati	11. Mr. Jitendra Patidar
6. Mr. Nitesh Parmar	12. Mr. VikasVishwakarma

The meeting was initiated with the welcome of the members and introduction of department by Prof. Rajesh Kumar Kaushal. The different points of agenda were discussed in detail.

The fruitful suggestions are as follows.

- Introduce finite element method for chemical engineering students.

- Increase AI application related software courses in chemical engineering.

- Introduce physics with application in chemical engineering for first year students.

- Introduce mathematics with application in chemical engineering.

- Start hybrid mode classes for M. Tech students.

- Increase number of industrial visits for students per year.

- Start student mentorship program for better communication amongst the students of first, second, third and final year.

- Collaborate with industry person for expert lectures, field projects etc.

- Motivate the students to undergo internship after fourth semester in various IITs and NITs.

Head
H.O.D.
Chemical Engg.
Institute of Engg. & Sc.
IPS Academy, Indore

8. Minutes of BOS

IPS ACADEMY
Knowledge, Skill, Value
16 Colleges, 71 Courses, 50 Acre Campus

MINUTES OF MEETING

The eighth Board of Studies meeting (Online Mode) was held on 20th March, 2025 in Chemical Engineering Department. Following Hon'ble members attended the meeting.

1. Dr. Rajesh Kumar Kaushal, Head & Chairperson

2. Dr. Kailas L. Wasewar, Professor, VNIT Nagpur

3. Dr. Ashok Sharma ,Professor, UEC Ujjain

4. Mr. Aroh Shrivastava, Scientific officer, Institute for Plasma Research, Ahmedabad, Gujarat

5. Mr. Ankit Soni, Manager, Reliance Industries Ltd., Bhopal

6. All the faculty members of Chemical Engineering Department

The Chairperson welcomed all the Hon'ble BoS members & introduced all external members, followed by introducing the departmental faculty members.

The agenda for the meeting and the subsequent queries/discussions/clarifications raised by external members and modifications incorporated/explanation to the queries/actions taken by the Chairperson after due deliberations are as follows.

1. **Confirmation of last minutes of meeting held on 25th May 2024.**

The minutes of meeting of previous BoS meeting held on 25th May 2024 was circulated to all BoS members and was approved by all the members.

2. **Confirmation of Action Taken Report of last BoS Meeting**

HoD conveys to all BoS members the action taken report of the seventh BoS meeting which contains all the needful changes in curriculum and it was approved by all BoS members.
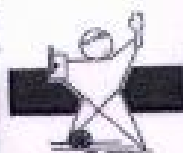

3. Revision in B. Tech scheme/syllabus

3.1 Dr. Ashok Sharma, Professor, UEC Ujjain

a) Involve final year students for doing projects using various software tools.

b) Justification of engineering graphics subject in chemical engineering.

Corrective actions taken

a) Students are using softwares in 7th and 8th semester for their projects.

b) Application of graphics plays a crucial role in chemical engineering for visualization, analysis and design.

3.2 Prof. Kailas Wasewar, Professor, VNIT Nagpur

a) Introduce Design and Graphics in chemical engineering.

b) Finite element method subject syllabus may be modified according to chemical engineering requirement.

c) Introduce coding related subject in Interdisciplinary foundation course (IFC).

Corrective actions taken

a) Suggestions may be incorporated.

b) Finite element method subject will be modified.

c) Students are studying the subjects like C++, Python and MATLAB.

3.3 Mr. Aroh Shrivastava, Scientific officer, IPR, Ahmedabad, Gujarat

a) Shift transport phenomena from eighth semester to seventh semester.

b) In LLC courses, add yoga as a subject.

c) Software like MATLAB, Python should be used to solve heat transfer and mass transfer problems.

![IPS ACADEMY logo]

4. External examiners panel (B. Tech. / M. Tech.)

Some new members are included in External Examiner panel. It is approved by BoS members.

5. Result Analysis and placement details

The Result analysis of last five years was discussed with BoS members for their consideration. The placement record of 2022-23 passed batch is also appreciated by all BoS members.

6. Feedback of various stakeholders.

Feedback for scheme/syllabus of third year is taken from various stakeholders including faculties, students and alumni regarding LLC, IFC, SBC, and HSMC courses in modified scheme. The feedback analysis is discussed in meeting and approved.
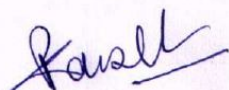

7. Upcoming International conference and ATAL FDP

Discussion regarding sponsorship and participation in upcoming International conference on Emerging Techno-Economic Development for Sustainable Environment [ETDSE] was carried out with all members.

8. Any other issue with the permission of the Chair.

Discussion regarding collaboration for SERB project proposal was extended to all BoS members. For submitting proposals to various funding agencies, try to involve faculties from outside institutes.

The meeting was ended with vote of thanks by the chair.

Knowledge Village, Rajendra Nagar, A.B. Road, Indore (M.P), 452012

Corrective actions taken

a) Suggestions may be incorporated

b) Students are studying yoga in Liberal Learning Course.

c) Students are studying Python in III semester.

3.4 Mr. Ankit Soni, Manager, Reliance Industries Ltd., Bhopal

a) Introduce the subjects like Petroleum Refining and Fertilizer Technology

Corrective actions taken

a) Petroleum Engineering and Fertilizer Technology subjects are already there in curriculum.

4. External examiners panel

Some Industry people are included in External Examiner panel. It was approved by BoS members.

5. Result Analysis and placement details

The result analysis of last five years was discussed with BoS members for their consideration.

6. Feedback of various stakeholders.

Feedback for the scheme and syllabus was collected from alumni, students, and faculty members. The proposed changes were discussed in a meeting and received approval by all BoS members. Minor courses in AR/VR and Entrepreneurship & Innovation have been introduced. Modifications to open electives have been made in alignment with foreign university standards.

7. Any other issue with the permission of the Chair.

Experts suggested introduction of interdisciplinary certification courses on MATLAB and Python.

The meeting was ended with vote of thanks by the chair.

(A)   Special Award

➢ Sonali Singh won the First Prize in **National Event Tooryanath** 24 Abhivayakti dance competition / in MANIT Bhopal.

➢ Anjali Shukla Secured AIR 5 Rank in the NAFED'08 users MEET Quiz,Organized by VSSC ISRO at IIT Hyderabad.

➢ Sejal Jain. Sanloni Kumrawat, Sakshi Yadav Aaryan Gupta Chetan Yadav Vikram Thakur SIH 2024 Grand final Partcipating.

➢ Devendra Dangi Secured Ist Position **in Science Quiz Competition 2024** organized by the department of Electrical & Electronics Engineering IPS Academy, Institute of Engineering & Science.

- Goutam Sharma Got Certificate of Appreciation from **IIT Bombay** being a Finalist in NEC 2024 Basic Track.
- Goutam Sharma Got Certificate of Merit In recognition of bring among the 100 Campus Ambassadors in the E/Cell IIT Bombay Campus Ambassador Program 2024.
- Devendra Dangi got Certification of Participation Coding Ninjas Premier League AIR 156.
- Aditya Dubey got Certificate of Appreciation for their Outstangind Performance in ARCADIA 3.0 Organized by IIM Rau.
- Vansh Tiwari, Vaishnavi Tiwari and Niranjan Choudhary second year student secured Cummins Scholarship for session 2024/25.
- Rohan Verma, Vishal Umath Third year student secured Cummins Scholarship for session 2024/25.
- Aditya Thakur Awarded for **FACE IN THE CROWD** for the session 2024/25 by Institute of Engineering and Science.
- Adarsh Patidar Awarded for **BEST COORDINATOR** for the session 2024/25 by Institute of Engineering and Science.
- Shruti Patidar Awarded for **BEST COORDINATOR** for the session 2024/25 by Institute of Engineering and Science.

7. Minutes of Advisory Board Meeting

IPSA/IES/EEE/2023-24   Date: - 10/02/2025

<u>**Minutes of Advisory Board Meeting**</u>

The Advisory Board Meeting was conveyed on 07/02/2025 in Department of Electrical & Electronics Engineering, IPS Academy, Institute of Engineering & Science, Indore.

Following Persons were present:

1.   Dr. Manish Sahajwani (Chair Person)
2.   Dr. A.G.Kothari (Management Nominee)
3.   Dr. G.S. Tomar IEEE Chairmen (M.P. Section)
4.   Mr. Manoj Gupta
5.   Mr. Kamlesh Gupta
6.   Dr. Yogendra Dohare
7.   Md. Firoz Khan
8.   Mr. Hemant Mehar
9.   Mr. Deepesh Bhati
10. Ms. Ankita Singh
11. Ms. Namrata Nebhnani
12. Ms. Shahnam Baig
13. Ms. Priya Pal
14. Mr. Subhash K. Mandal
15. Ms. Pooja Bhatt

Dr. Manish Sahajwani highlighted the issues and actions on previous meetings.

Following agenda was taken up for discussion:

- ➢ Second- IEEE conference
- ➢ Any other point with the permission of chair

Minutes of the meeting:

1. Confirmation of minutes of previous advisory meeting held on 25th March 2023.

   The HoD informed that the minutes of the previous advisory meeting held on 25th March 2023 were circulated to all external members for their approval and subsequently all external

members have approved the same. These minutes were accorded formal approval in this meeting.

2. Second- IEEE Conference

    1. Dr. G.S Tomar IEEE Chairmen (M.P. Section) assured to endorse Second-IEEE conference in March 2026 tentatively.

    2. II- IEEE conference to be organized in March 2026 jointly by Electrical & Electronics Engineering department and Electronics & Communication department and the topic of the conference "Application of IOT AIML and Big Data to Electrical, Electronics & Communication Engineering." was finalized.

    3. In view of proposed IEEE conference Dr. G.S. Tomar explained in detail about reviewing/plagiarism check and format for the conference research paper.

3. Any other points with the permission of chair.

The meeting ended with a vote of thanks to the Chair.
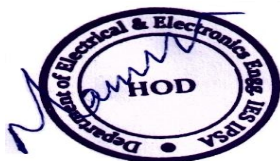

(**Dr. Manish Sahajwani**)
      HoD

7. Minutes of Advisory Board Meeting

Ref.: IES/FT&SE/2025/   **Date: 16-05-2025**

"Minutes of Advisory Board Meet"

The advisory board meet of Fire Technology & Safety Engineering department for session 2024-25 was scheduled on 12-05-2025 at 11:30 am. The following members were present during the meet.

1. Mr. Abhay Tiwary, EHS-Head, Par Formulations Private Limited, Pithampur Madhya Pradesh.
2. Dr. Rakesh Dubey, Ex-Director, Disaster Management Institute, Bhopal, Madhya Paradesh.
3. Mr. Kunwar Himanshu, M.Tech.- Industrial Safety Engg. IV Sem. (Jan.-June 2025) PG Final year Representative.
4. Mr. Abhijit Ijankar, B.Tech.- Fire Technology & Safety Engg. VIII Sem. (Jan-June 2025) UG Final year Representative.
5. Dr. Praveen Patel – Dr. Praveen Patel, Head, FT&SE, IPS Academy, Institute of Engineering & Science.
6. All Faculty members as Advisory Board member Fire Technology & Safety Engineering.

The minutes of Advisory Board meet are as Follows:

❖ Mr. Abhay Tiwary suggested us to signed MoUs with Airport Authority of India in National Airports for aviation fire fighting.

❖ Mr. Kunwar Himanshu, PG final year representative make a remark on the III semester and IV semester PG schemes for without attending the regular classes as key to increase admissions in PG program.

❖ Mr. Abhijit Ijankar, UG Final year representative suggested us to increase the number of elective category subjects in curriculum so that students can prepare himself/herself for his/her dream company/industry.

❖ Dr. Rakesh Dubey offer a joint programme with ERDMP Academy Bhopal for Fire & Safety stream in which practical exposure will be imparted in the research based subjects like Disaster Management, Emergency Planning ,Process Safety and Computational Fire Dynamics during the meeting.

FIRE TECHNOLOGY & SAFETY ENGINEERING DEPARTMENT

Knowledge Village, Rajendra Nagar, A.B. Road, Indore (M.P.), 452012

26

- ❖ Dr. Rakesh Dubey suggested us for the registration of Alumina Association and creating a directory of department alumna with periodic interaction with on roll students it will assist department in   identifying the present expectations of industry, company-specific preparations, effective advice on interview to the students etc.

- ❖ Student representatives addressed the drill ground dismantle issue and request for its functionality as per fire service norms apart from regular classroom teaching.
