

Proposed Five Year Plan 2022-27

DEVELOPMENT

- Planning for re accreditation in B. Tech Civil Engg in 2025-26 in Tier I
- Planning for NBA accreditation of the M.Tech. Structural Engineering Programme for the academic year 2027–28 in Tier I.
- To run Graduate preparation Course according to the industry in hybrid mode.
- Applying for centre for PhD.
- Upgrading the Heavy Structures Lab to setup Earthquake Research Center

RESEARCH

- Organizing annually quiz event “SAMEEKSHA” , Paper Presentation “NEEV” for the students of Civil Engineering at National level.
- Organizing annually National Seminar “SRUJAN” for the faculties, professionals and students of Civil Engineering.
- Starting an Event for First Year B.Tech Civil Engineering Students “NEEVx”
- To organize IGS–Ferroco Terzaghi Oration (IFTO–2026)
- To organize flagship events of professional bodies such as the Indian Geotechnical Society (IGS), Indian Concrete Institute (ICI), and other reputed professional organizations at the institute.
- To sign more MoUs with industry and academic organizations for student and faculty exchange, joint research proposals and publications, internships, and other collaborative academic and research activities.
- To Organize International Conference NESDRi II in 2028
- To increase the publications in SCI and Web of Science indexed Journals
- To accredit the labs from NABL
- Upgrading software lab.

INSTITUTE OF ENGINEERING & SCIENCE

CIVIL ENGINEERING DEPARTMENT (U.G.NBA Accredited up to June 2026)

Knowledge Village, Rajendra Nagar, A. B. Road, Indore (M.P.), 452012

Knowledge, Skill, Value

IPS ACADEMY

16 Colleges, 71 Courses, 58 Acre Campus

QIP

- Sending maximum possible faculty for participating in STTP – Short term training programmes Organized by IITS and other National Institute.
- To develop and offer internship and industry-oriented value-added courses in collaboration with leading industry partners to enhance students employability and professional skills.
- To establish Centres of Excellence in emerging and industry-relevant areas.
- To strengthen alumni engagement for mentoring, internships, placements, entrepreneurship, and institutional development.
- Organizing annual workshops on Concrete technology, BDD and Advance Surveying for the students of Civil Engineering at National Level.
- Summer internship for III & IV year students.
- Promoting faculties for pursuing higher education PhD.
- Organizing Faculty Development Programs on current issues.
- Workshop Sakriya for M. Tech students.

CONSULTANCY

- Improving facility in existing laboratories.
- Approval from Government agencies.
- Approaching the target groups for consultancy in Planning & Designing
- Approaching the target groups for consultancy/testing in Soil Mechanics, Material testing, Environmental Engineering, inflow technology in piping system.
